

Pay ConnexionSM

This one-hour seminar outlines the many benefits of Pay Connexion, our flexible electronic payment solution, for your customers and constituents.

Simplify Payment Presentment and Collection Processes

Electronic payment volume is outpacing paper check volume, and customers are demanding more convenient ways to make payments. Pay Connexion, a robust and configurable solution, can help you streamline payment presentment and collection practices, reduce expenses and offer your customers more payment choices. During this seminar, our experts will show you how to use Pay Connexion to:

- Present and collect payments via Web site, IVR or live agent
- Offer customers payment options such as e-checks, credit cards and off-line debit cards
- Allow customers to manage account/payment information and create single, future or recurring payments
- Receive full reports across all channels and payment types
- Improve customer satisfaction while reducing customer service and internal costs with our fully hosted, 24x7 electronic solution
- Offer customers a paperless and environmentally friendly option to receive and pay their bills
