

Fund Reporting and Media Exchange Site (FRaMES)

J.P. Morgan's FRaMES portal, a new component of J.P. Morgan ACCESSsm, provides client operations, fund board members, compliance officers and other service providers with real-time access to a secure, collaborative work environment. In addition to document management, FRaMES houses proprietary research, online tools and data archives. FRaMES is intuitive and easy to use with a high level of security. The portal is customized to client specifications, allowing you to be more efficient in your daily tasks.
