WORLD CLASS PENSIONS EXPERTISE

J.P.Morgan

Building a strategic partnership

For decades, both corporate and public sector pension funds have chosen J.P. Morgan as their partner for pension management. Our Worldwide Securities Services division capitalises on the firm's global scale, leading technology and deep industry expertise to provide a world class suite of pension services, helping clients to optimise efficiency, mitigate risk and enhance revenue for their investments.

With over 150 years' experience in custodial services, J.P. Morgan continues to act as an industry and thought leader, offering innovative and intelligent financing solutions to clients in more than 100 countries. We have client relationships that exceed 50 years, demonstrating our long-term commitment both to our clients and to this business.

J.P. Morgan currently has over 230 UK pension scheme relationships, with some £150 billion of assets under custody. This represents 21 percent of the UK pension fund market, and J.P. Morgan prides itself in naming over half of the top UK pension funds as our clients.

Market-leading and innovative solutions

“Our clients turn to us for insight and our firm-wide ability to deliver services that enable clients to meet their strategic needs.”

Responsive to your needs

At J.P. Morgan, we have a dedicated pensions strategy team, headquartered in London and operating throughout Europe, Middle East and Africa, whose role is to foster a consultative, holistic approach with our clients, helping us design quality solutions for stability and growth in response to your needs.

Moreover, as a specialist team focused on pensions, our unique service model means we are able to effectively align the Sales, Relationship Management, Client Service and Product teams in order to rapidly develop and deploy enhanced services across the J.P. Morgan businesses. This enables you to manage risk and market exposure cost effectively, whilst receiving a future-proof solution.

Against a backdrop of heightened regulatory, investment and reporting requirements, J.P. Morgan pro-actively engages with the wider pensions industry: regulators, governments, consultants, fund managers and other professional bodies, to remain at the forefront of market developments, and to ensure our clients can rely on our insight and leadership in today's ever-changing environment.
