

HEALTH SAVINGS ACCOUNTS

Changing the Future of Benefits Management

With every new benefits enrollment period, Health Savings Accounts (HSAs) – a leading component of consumer directed healthcare – are catching the attention of more and more benefit managers and individuals.

Now it's your turn.**An HSA program lets you:**

- Offer an appealing healthcare program with affordable rates and competitive features
- Control rising healthcare costs while reducing payroll tax
- Attract and retain top talent
- Encourage employees to be better consumers of healthcare

In this one-hour online seminar, we will explore both the current and future perspectives of healthcare financing – HSA best practices for employers and valuable insights from HSA account holders. You'll get valuable information about why you should offer an HSA program and the benefits to you and your employees.

How to participate:

This is a desktop-based meeting that uses the Internet to provide the display portion of the meeting and the telephone for the audio portion.

- ▶ **Click here** to join the meeting 10-15 minutes prior to the conferences start time. Your browser settings will be checked to ensure compatibility.
