

RBI Retail Direct Scheme

Background:

RBI Retail Direct is a web-based platform of the Reserve Bank of India (RBI) that enables eligible individual investors to open a Retail Direct Gilt (RDG) Account with RBI and invest directly in Government Securities online.

Key features of RBI Retail Direct:

- Direct access to invest in Government securities.
- Participate in primary auctions and access the secondary market.
- Interest and maturity proceeds credited directly to linked bank account as per applicable terms.
- No account opening or maintenance charges by RBI. (Note: Applicable fee for payment gateway as applicable will be borne by investor).

How to register for RBI retail direct;

- Visit [Registration Link](#) to open an account under RBI Retail Direct Scheme with RBI.
- Users can access the [RBI Retail Direct portal](#) using the registered login credentials.
