**Interest Payment Conditions:**

1. The interest rate is fixed for the term of the deposit and may be changed at any time at the discretion of J.P. Morgan.

2. Interest is earned on balances in the account at the time of the deposit and is calculated on the balance of the account at the end of each month or at the end of the term of the deposit, whichever is applicable.

3. Interest is paid on the last day of the month in which the interest is calculated.

4. Interest is calculated on the entire balance of the account and is paid in advance on the last day of the month.

5. The interest rate is subject to change at any time and without notice.

6. Any changes in the interest rates are effective on the next business day following the day of the change.

7. The interest rate is calculated on the actual number of days the account is open.

8. The interest rate is based on the applicable J.P. Morgan prime rate.

9. The interest rate is subject to change at any time and without notice.

10. Any changes in the interest rates are effective on the next business day following the day of the change.

11. The interest rate is calculated on the entire balance of the account and is paid in advance on the last day of the month.

12. The interest rate is subject to change at any time and without notice.

13. Any changes in the interest rates are effective on the next business day following the day of the change.

14. The interest rate is calculated on the entire balance of the account and is paid in advance on the last day of the month.

15. The interest rate is subject to change at any time and without notice.

16. Any changes in the interest rates are effective on the next business day following the day of the change.

17. The interest rate is calculated on the entire balance of the account and is paid in advance on the last day of the month.

18. The interest rate is subject to change at any time and without notice.

19. Any changes in the interest rates are effective on the next business day following the day of the change.

20. The interest rate is calculated on the entire balance of the account and is paid in advance on the last day of the month.

21. The interest rate is subject to change at any time and without notice.

22. Any changes in the interest rates are effective on the next business day following the day of the change.

23. The interest rate is calculated on the entire balance of the account and is paid in advance on the last day of the month.

24. The interest rate is subject to change at any time and without notice.

25. Any changes in the interest rates are effective on the next business day following the day of the change.

26. The interest rate is calculated on the entire balance of the account and is paid in advance on the last day of the month.
