5. With respect to transactions involving an offering of securities, the underwriters may over-allot or effect transactions which stabilize or maintain the market price of such securities at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.
6. This transaction and all other transactions with us have been entered into in consideration of each other. In the event that (i) you shall default in respect of this or any other transaction with us, (ii) you apply for, consent to, or are the subject of an application or petition for the appointment of or the taking of possession by a receiver, custodian trustee, liquidator, or similar person of yourself or of all or a substantial part of your property, (iii) you admit, your inability or become generally unable to pay your debts as such debts become due or shall have a negative net worth, (iv) you make a general assignment for the benefit of your creditors, (v) you file, or have filed or entered against you, a petition or order for relief under Title 11 of the United States Code, as amended, or any similar law of any jurisdiction regarding reorganization, liquidation, dissolution, insolvency or relief of debtors, (vi) you have filed against you an application for a protective decree under Section 5 of the Securities Investor Protection Act of 1970, as amended, (vii) we believe that we may not be able to apply without delay property we are holding or expect to receive from you against your obligation, or (viii) we believe that an event or circumstances has occurred which in our judgment materially impairs your creditworthiness or ability to perform your obligations, we may (a) cancel or otherwise liquidate this and any other transaction without prior notice to you (and you will be liable to us for any resulting loss, cost and expense, including cost of collection and attorney's fees), (b) set off any obligation to you against any of your obligations to us, or our affiliates, (c) realize upon property securing any obligations to us or our affiliates and (d) take any other action necessary or appropriate to protect and enforce our rights under this or any other agreement between you and us or our affiliates, and to reduce any risk to us of loss or delay. In order to secure any obligations to us or our affiliates under this or any other transaction you hereby grant to us a security interest in all securities moneys or other property heretofore or hereafter held by or for us or our affiliates. In the event of a breach or default hereunder, we shall have all rights and remedies available to a secured creditor under the Uniform Commercial Code as then in effect in New York in addition to rights and remedies provided herein or otherwise by law.
