

JPMCCI: Gas Oil will be included during January 2015 rebalance

Inclusion of Gas Oil:

- In an announcement made by The Intercontinental Exchange (ICE) on Jun 2, 2014, the exchange decided to extend availability of Gas Oil contracts.
- As of Feb 2015 contract month, the contract specification of Gas Oil will change to a 10ppm sulphur content which is identical to existing Low Sulphur Gas Oil contract specification.
- As a result, Gas Oil will be included in the JPMCCI during the January 2015 composition.
