

J.P.Morgan

# Physical Solutions

Customized cash management for your organization's specific needs

Unlock significant cash management advantages while achieving visibility and control over cash at a regional and global level.

### Demand Deposit Account

See your deposits and disbursements consolidated using our easy and efficient solution for automatic, end-of-day funds concentration from all locations and same-day deposit posting.

### Liquidity Management Account

Help reduce balance volatility and enhance yield on your operating balances through an account that pays interest based on the stability of the account balance over time.

### Earnings Credit Rate

Maximize the value of global balances by offsetting a wide range of fees across your global J.P. Morgan banking relationships. Depending on your situation, it might be a smart alternative to credit interest payments.

### Escrow

Count on our industry-specific expertise and regional market acumen to give clients the service and speed of execution they demand, holding assets in [escrow](#) and disbursing them quickly and securely.

### JPM Coin

Move, settle and clear funds 24/7 on a secure blockchain-based network with [JPM Coin System](#)
