

## CHASE QUICK DEPOSIT

### SAVE TIME BY MAKING CHECK DEPOSITS ONLINE

Chase Quick Deposit is our remote deposit product that enables you to scan deposit items and use the images to make deposits electronically into your checking, savings and money market accounts.

With Chase Quick Deposit, you can scan personal checks, business checks, US Treasury checks, travelers' checks and money orders.<sup>1</sup>

#### WHY USE CHASE QUICK DEPOSIT?

Chase Quick Deposit is ideal for companies that:

- Receive checks at their offices
- Make frequent trips to a local Chase branch
- Access check images for customer service purposes
- Spend time and effort managing multiple bank deposits

You can use Chase Quick Deposit to scan and deposit checks from the convenience of your office. Check images are transmitted electronically to Chase for deposit, and those received by 9:00PM Eastern Time on a business day are processed the same day.

Chase Quick Deposit also gives you access to up to 270 days of check images for checks drawn on Chase accounts, 120 days of check images for checks drawn on other financial institutions, and 13 months of transaction details. You can even review returns and adjustments online.

Chase Quick Deposit also allows you to grant other employees in your company the ability to make deposits from multiple locations. The System Administrator can restrict user access so that they can only make deposits, or allow key users to view

#### KEY FEATURES AND BENEFITS

- Streamline the way you deposit checks with the convenience of 24/7 access
- Save time by reducing trips to the bank
- Reduce paperwork with online storage of transaction history

account balances and transaction history.

To begin using Chase Quick Deposit, simply contact a Chase Representative. During enrollment, you will be able to order as many scanners as your company needs, and then have them shipped to multiple locations. Once you've installed your scanners, you will be ready to start making deposits.

#### QUESTIONS AND HELP

To help answer your questions about Chase Quick Deposit, a User Guide and Frequently Asked Questions are available on the Chase Quick Deposit home page. And as always, you can contact your Chase Representative with any questions you may have.

#### SECURITY MATTERS TO YOU AND TO US

We want you to have peace of mind when accessing your accounts and performing all transactions through Chase Commercial Online. To accomplish this, we use sophisticated multilayered security to help you protect the privacy and authenticity of your users, as well as your data and transactions.

#### WHY CLIENTS CHOOSE CHASE

- Unparalleled service – Chase clients work with a dedicated client service

professional, not just an 800 number.

- Local expertise backed by strength and convenience – Our relationship managers are deeply rooted in their communities, making decisions locally, with access to the comprehensive resources of our global bank. Chase's solutions address a variety of needs as your business grows.

Whether it is the convenience of our innovative online banking tools or access to over 5,000 branches across the United States, we make it easy for you to do business.
