While you possess a Card and during the course of our relationship with you, we may use, give to, obtain, verify, share and exchange Personal Information about you with others including without limitation the Bank's parent and its affiliates, and other persons with whom you may have financial dealings, as well as any other persons as may be permitted or required by law. Your Personal Information is also shared or exchanged with Employer, and its parent or affiliates and their respective service providers or agents, including, at the request of Employer, to process, consolidate and transmit Information to Employer's third party service provider for the purposes of preparing reports, analysis and other such services to be made available to Employer by such third party service provider. Our successors and assigns may collect, use and disclose your Personal Information for substantially the same purposes as described in this agreement.

The file containing Personal Information will be held at our offices and any of our employees, mandataries, agents and service providers who require it for the purpose of their duties or obligations will have access to this file.
