2020 Global Payments Guide

Your Guide To Making Cross-Currency Payments in over 160 Countries with Ease.

J.P. Morgan
The J.P. Morgan Global Payments Guide is your desktop resource to help you make timely and accurate payments to beneficiaries around the world.

Work with J.P. Morgan to get the global payment support that your business demands

With employees, suppliers and operations located around the globe, ensuring prompt payments in multiple currencies is a challenge. Your business requires a partner who takes the time to understand your needs and helps ensure your payments are processed smoothly.

As one of the top-ranked cash management and payments processors in the world, J.P. Morgan is able to offer the tools that help you manage your day-to-day global operations, along with your more sophisticated foreign exchange needs. We make your priorities ours and recommend the high quality solutions that meet your unique requirements.

As part of J.P. Morgan’s commitment to you, it is our pleasure to provide you with this desktop companion, which provides important, country-specific information to help treasury and accounts payable professionals manage their payments around the world. We look forward to providing you with solutions that help take the complexity out of managing your global cash and payments.

Setting up your payment

It is best practice to include the below standard information in payment instructions to avoid potential delays or returns:

Ordering Customer
- Account number
- Full name (no initials)
- Full address
  - Street address (avoid P.O. Box numbers)
  - City
  - State Code
  - Postal Code
  - Country code (2 characters)

Beneficiary Customer
- Account number
- Include the International Bank Account Number (IBAN) or Clave Bancaria Estandarizada (CLABE), if applicable
- Full name (no initials)
- Full address
  - Street address (avoid P.O. Box numbers)
  - City
  - State Code
  - Postal Code
  - Country code (2 characters)

Beneficiary Bank
- Full bank name
- Address
- SWIFT BIC

Some countries may also require additional information (i.e., telephone number, purpose of payment, routing codes, etc.). Failing to provide all required information may result in payment delays or returns.

Cross-Border Payment Requirement

Intermediary banks are often used when a payment is made in a currency that is different from the local currency. When making a payment through an intermediary bank, their SWIFT BIC must be included.

Key Terms

International Bank Account Number (IBAN)

The International Bank Account Number, IBAN, is an internationally agreed standard to identify an individual’s account at a financial institution. IBANs should be included for all SEPA payments. SWIFT maintains an IBAN registry (https://www.swift.com/sites/default/files/resources/swift_standards_ibanregistry.pdf) that provides details on the IBAN structure. The structure consists of a two-letter ISO country code, followed by two check digits and up to 30 alphanumeric characters for the Basic Bank Account Number (BBAN).

Routing Codes

Some countries require the inclusion of national routing codes to facilitate routing within the country’s payment systems. Examples of countries with routing codes are Australia and Canada.

SWIFT BIC

SWIFT BIC is a bank identifier code for members of the SWIFT network. Please note: If a branch BIC is not known, the full name and address should be used.

Host-to-Host Formatting Assistance

For translation assistance between SWIFT and file based formats, please reference the table on page 76

If a capital payment of any description (loan services, capital injection, investment, etc.) or any type of payment that may result in a future repatriation is required, please contact your J.P. Morgan Chase & Co representative before execution of the transaction. Local regulations may require completion of additional documentation and not all payment types can necessarily be supported.

This guide is provided to JPMorgan Chase & Co clients for informational purposes only. JPMorgan Chase & Co makes no representations or warranties as to the accuracy, completeness or timeliness of the information in this form. Information contained in the form is subject to change without notice.

Afghanistan
AFN – Afghan Afghani

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.centralbank.gov.af.

Payment Formatting Rules for AFN
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxAFxx or xxxxAFxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
- The local market is closed on Fridays.

Albania
ALL – Albanian Lek

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bankofalbania.org.

Country Requirements/Restrictions
- Additional Documentation: For tax payments, the taxpayer must provide a declaration form to the beneficiary bank.

Payment Formatting Rules for ALL
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - There are no specific bank clearing codes for Albania for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxALxx or xxxxALxxxx.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in Albania must be included in the payment instructions.

Algeria
DZD – Algerian Dinar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• As of September 2019, Payments to individuals cannot be made in DZD. Any DZD wire or FX ACH payment to individuals will result in a rejection.

Country Requirements/Restrictions
• Payment Restrictions: FX DZD payments to individuals are currently not supported.

Payment Formatting Rules for DZD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxDZxx or xxxxDZxxxxx.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – As best practice, format account numbers for beneficiaries with accounts in Algeria according to the below specifications whenever possible.

Country Code DZ
Length 22!c
Format DZ + 20 characters

• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).
  – For invoices, the reason for the invoice must be indicated (e.g. invoice for health services).

Additional Information
• The local market is closed on Fridays.

Andorra
EUR – Euro

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards do not apply for euro payments to beneficiaries with accounts in Andorra.

Payment Formatting Rules for EUR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxADxx or xxxxADxxxxx.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – IBAN numbers for beneficiaries with accounts in Andorra must be included in the payment instructions.
  – For invoices, the reason for the invoice must be indicated (e.g. invoice for health services).

Anguilla
XCD – East Caribbean Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.eccb-centralbank.org.

Payment Formatting Rules for XCD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxAIxx or xxxxAIxxxxx.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Antigua and Barbuda
XCD – East Caribbean Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.eccb-centralbank.org.

Payment Formatting Rules for XCD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxAGxx or xxxxAGxxxxx.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (CBU), full name (no initials), address, tax ID, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - CBU (Clave Bancaria Uniforme) is a unique key comprised of 22 numbers representing the bank ID, branch account number and other details. The CBU is required in all electronic payments in Argentina, and should be entered in the account number field of the payment instructions.
  - The beneficiary’s 11-digit tax identification code (CUIT – tax ID for corporates / CUIL – tax ID for individuals) and telephone number is required to avoid payment delays or returns
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Argentina
ARS – Argentine Peso

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, CBU, 11-digit CUIT tax identification code, beneficiary email address, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bcra.gov.ar.

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary stating the reason for payment. The beneficiary must complete all required documentation at their local bank to receive credit into the account.

Payment Formatting Rules for ARS
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (CBU), full name (no initials), address, tax ID, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - CBU (Clave Bancaria Uniforme) is a unique key comprised of 22 numbers representing the bank ID, branch account number and other details. The CBU is required in all electronic payments in Argentina, and should be entered in the account number field of the payment instructions.
  - The beneficiary’s 11-digit tax identification code (CUIT – tax ID for corporates / CUIL – tax ID for individuals) and telephone number is required to avoid payment delays or returns
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxARxx or xxxxARxxxxx.
Argentina
Continued

- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).
- Sender to Receiver Information (SWIFT MT103 F72): To avoid payment delays, the beneficiary's email address should be included. Please replace 'AT' with '___AT___' (blank space before and after '___AT___') for smooth processing. Sample Format: /INT/name AT jpmchase.com.

Additional Information
- Payment will be rejected if it does not include complete and correct delivery instructions.
- Payments to Judicial accounts are not supported

Armenia

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.cba.am/en.

Country Requirements/Restrictions
- Additional Documentation: Beneficiary is required to provide supporting documentation indicating the reason for payment for transactions greater than 20 million AMD.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Payment Formatting Rules for AMD
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include bank code, account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary. Bank codes are required to be added in front of all beneficiary account numbers.
  - Include the full legal entity type of the beneficiary (e.g., corporate, charity).
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxAMxx or xxxxAMxxxx.
  - For payments to Central Bank of Armenia (CBRAAM22XXX), the following information is required:
    - Residency of the customer (1 for resident; 2 for nonresident)
    - Legal status of the customer (11 for commercial organization; 12 for non-profit organization; 21 for individual; 22 for individual entrepreneur)
    - TIN 10 digits (for Legal entity or Individual Entrepreneur) or Social card (for individual)
    - Name of the customer
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Australia

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, BSB number, account number and beneficiary bank address).
- Central Bank: For additional information, please refer to www.rba.gov.au.

Country Requirements/Restrictions
- Payment Restrictions: AUD is a freely traded currency for both onshore and offshore clearing.

Payment Formatting Rules for AUD
- Ordering Customer (SWIFT MT103 F50): For all transactions in and out of Australia, including those paid through an intermediary bank, include account number, full name (no initials), and address of the ordering customer. Failure to provide full ordering customer details may result in payment delays.
  - Avoid P.O. Box numbers and include city, state, country and postal code for the ordering customer's address.
- Beneficiary Customer (SWIFT MT103 F59): For all transactions in and out of Australia, including those paid through an intermediary bank, include account number, full name (no initials), address of the beneficiary customer, and as best practice, the beneficiary's telephone number. Failure to provide full beneficiary customer details may result in payment delays.
  - Avoid P.O. Box numbers and include city, state, country and postal code for the beneficiary customer's address.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - Australian banks are identified by a 6-digit Bank State Branch (BSB) number where the first two digits specify the bank, the third digit specifies the state, and the last three digits specify the branch (e.g. 112-908). BSB numbers must be included in the ordering details (for payments out of Australia) and beneficiary details (for payments into Australia). Refer to the Australian Payments Clearing Association website (www.apca.com.au) for list of current BSBs.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxAUxx or xxxxAUxxxx.

The following character representations and length indications are used:

- N Digits numeric characters
- c Upper and lowercase alphabetic characters (A-Z, a-z, and 0-9)
- a Uppercase letter alphabetic characters (A-Z only)
- e Blank space
- n Maximum length
- m Fixed length
Australia

Continued

**Additional Information**

- Banks are required to report to the local regulator, AUSTRAC, on any international funds transfers to or from Australia in any currency including those transactions paid through an intermediary bank. For more information on bank reporting regulations, refer to the AUSTRAC website www.austrac.gov.au.

Austria

**EUR – Euro**

**Overview**

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.oenb.at/en.

**Country Requirements/Restrictions**

- SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Austria.

**Payment Formatting Rules for EUR**

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds.
- IBAN numbers for beneficiaries with accounts in Austria must be included in the payment instructions.

- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.

- There are no specific bank clearing codes in this country for cross-border payments. SWIFT BIC is key to routing payments.

- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxATxx or xxsxBxxxx.

**Bahamas**

**BSD – Bahamian Dollar**

**Overview**

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.centralbankbahamas.com.

**Payment Formatting Rules for BSD**

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBSxx or xxsxBxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

**Additional Information**

- For payments from non-US branch accounts, in-country beneficiary banks supported for BSD FX transactions include: Scotia Bank, Royal Bank of Canada, and First Caribbean.
Bahrain
BHD – Bahraini Dinar

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.cbb.gov.bh.

Payment Formatting Rules for BHD
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
- The local market is closed on Fridays.

Country Requirements/Restrictions
- Payment Restrictions: NGOs must register locally and obtain approval before receiving payments for specific projects.
- Account Restrictions: Account Restrictions vary.
- Foreign Currency (FC) accounts of non-resident Bangladeshis (opened in the names of Bangladesh nationals or a person of Bangladesh origin working or self-employed abroad) can now be maintained as long as the account holder desires.
- Residence Foreign Currency Deposit (RFCD) accounts may be opened in US dollar, euro, pound sterling, or Japanese yen, and may be maintained as long as the account holder desires. Payments may be made into the account with declaration to customs authorities on the FMJ form. A maximum of USD 5,000 may be credited into the account without declaration.
- Additional Documentation: Additional supporting documentation such as Form C may be required from the beneficiary stating the reason for payment or providing evidence of the beneficiary’s identity. The beneficiary must complete all required documentation requested by their local bank or the correspondent bank to receive credit into the account.

Payment Formatting Rules for BDT
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.

The following character representations and length indications are used:

- Digits numeric characters
- Upper and lowercase alphabetic characters (A-Z, a-z, and 0-9)
- Uppercase letter alphabetic characters (A-Z only)
- Blank space
- Maximum length
- Fixed length

Additional Information
- The local market is closed on Fridays.
Barbados

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.centralbank.org.bb.

Payment Formatting Rules for BBD
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - The beneficiary’s full address is required to avoid payment delays.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBZxx or xxxxBZxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Belarus

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.nbrb.by/engl/.

Belgium
EUR – Euro

Overview
• Information Provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.nbb.be/en.

Country Requirements/Restrictions
• Payment Restrictions: There are no payment amount restrictions.
  The high-valued payment system used in Belgium tends to be limited to payments exceeding EUR 500,000. Banks may charge a day’s float; however, companies can often obtain same-day value settlement.
• Account Restrictions: Residents and non-residents are permitted to open and maintain domestic currency (EUR) and foreign currency accounts both locally and abroad.
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Belgium.

Payment Formatting Rules for EUR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  • IBAN numbers for beneficiaries with accounts in Belgium must be included in the payment instructions.

- Electronic Format Ex: BE98123456789123
- Print Format Ex: BE98 1234 5678 9123

Belgium Continued
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  • There are no specific bank clearing codes in this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  • SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBExx or xxxxBExxxx.

Benin
XOF – West African CFA Franc

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XOF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  • It is mandatory to format account numbers for beneficiaries with accounts in Benin according to the below specifications.
  • Account numbers should be 24 characters consisting of the 5 character bank code (including the 2 character country code) + 5 character branch code + 12 digit account number + 2 digit Clé RIB.

- Country Code: BJ
- Length: 24!c

- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  • SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBJxx or xxxxBJxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• This country is a member of the Central Bank of West African States.
• XOF is a zero decimal currency.
Bermuda
BMD – Bermudian Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bma.bm.

Payment Formatting Rules for BMD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBMxx or xxxxBMxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Bolivia
BOB – Bolivian Boliviano

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Payment Formatting Rules for BOB
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBOxx or xxxxBOxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Bosnia and Herzegovina
BAM – Bosnia-Herzegovina Convertible Mark

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.cbbh.ba.

Payment Formatting Rules for BAM
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in Bosnia and Herzegovina must be included in the payment instructions. The IBAN must start with BA39 followed by 18 digits.

  - If the final beneficiary belongs to a government organization, the following details must be included: budget organization code, 6-digit profit type, and 3-digit citation number (municipality). This information may also be provided in SWIFT MT103 F70.
  - The beneficiary’s telephone number is required to avoid payment delays or return. This information may also be provided in SWIFT MT103 F70.
Bosnia and Herzegovina

Continued

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBAxx or xxxxBAxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• BAM is settled as a EUR transfer. Therefore, the beneficiary can choose to withdraw this currency as BAM or EUR.

Botswana

BWP – Botswana Pula

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bankofbotswana.bw.

Payment Formatting Rules for BWP

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - For accounts held at First National Bank, 11-digit account numbers are required.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with 6-digit branch code, full name, and address of the beneficiary bank.
  - There are no specific bank clearing codes in this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBWxx or xxxxBWxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, charity, etc.).

Brazil*

BRL – Brazilian Real

*Pre-trade Requirements

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, beneficiary’s tax ID, email address, and beneficiary bank address and agency code).
• Central Bank: For additional information, please refer to www.bcb.gov.br.

Country Requirements/Restrictions

• Payment Restrictions: Restrictions exist for BRL payments. Brazilian banks will convert USD and foreign receipts to local currency for payment to beneficiary.
  - Resident and non-resident transactions involving foreign currency can only be carried out through the intermediary of authorized financial institutions.
  - Brazilian Boletos Bancário is a form of payment employed within Brazil. This type of payment can’t originate from or settle outside of the country.
  - USD and other foreign currencies are delivered to the Brazilian bank’s correspondent in the United States.
  - NGOs must register locally to receive payments.
• Additional Documentation: Additional documentation may be required from the beneficiary stating reason for payment.
  - The beneficiary must complete a request/authorization to allow their bank to exchange the foreign currency to local currency, indicating reason/destination of funds.
  - Once the trade is closed, the beneficiary must complete and sign a “contrato de cambio” (a contract of trade) within 30 days to identify that the funds are for the beneficiary and why they are receiving the funds.
  - The beneficiary must present ID and proof of address at the local bank. NGOs need to present current registration documents at their local bank.
• Beneficiary Setup: J.P. Morgan may use third party vendors for processing payments in certain currencies. Third party vendor will require on-boarding for beneficiaries only for the first payment. The following information is required:
  - Remitter’s name
  - Beneficiary name, account number (IBAN), telephone number, and email address

The following character representations and length indications are used:

- N: Digits numeric characters
- c: Upper and lowercase alphabetic characters (A-Z, a-z, and 0-9)
- a: Uppercase letter alphabetic characters (A-Z only)
- e: Blank space
- n: Maximum length
- m!: Fixed length
Brazil
Continued

*Pre-trade Requirements

- “Agencia” number (3-7 digit bank branch number)
- CNPJ (taxpayer ID) for corporations or CPF for individuals
- Purpose and amount of first payment

Payment Formatting Rules for BRL

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F57): Include account number (IBAN), full name (no initials), address, tax ID number (11 digit CPF for individuals and 14 digits CNPJ for Corporations/NGO/Orgs), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBRxx or xxxxBRxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.). Insufficient purpose of payment may result in errors or delays.
- Sender to Receiver Information (SWIFT MT103 F72): To avoid payment delays, the beneficiary’s email address should be included. Please replace ‘@’ with ‘_AT_’ (blank space before and after ‘_AT_’) for smooth processing. Sample Format: /INT/name AT jpmchase.com.

Brunei-Darussalam
BND – Brunei Dollar

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Payment Formatting Rules for BND

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F57): Include account number (IBAN), full name (no initials), address (street address, city, and country), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBNxx or xxxxBNxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.). Insufficient purpose of payment may result in errors or delays.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBRxx or xxxxBRxxxxx.
- The telephone number of the beneficiary is required to avoid payment delays or return. This information may also be provided in SWIFT MT103 F70.
- The telephone number of the beneficiary is required to avoid payment delays or return. This information may also be provided in SWIFT MT103 F70.
- The telephone number of the beneficiary is required to avoid payment delays or return. This information may also be provided in SWIFT MT103 F70.

Bulgaria
BGN – Bulgarian Lev

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bnb.bg.

Country Requirements/Restrictions

- SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Bulgaria.

Payment Formatting Rules for BGN

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

Cambodia
KHR – Cambodian Riel

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.nbc.org.kh.

Payment Formatting Rules for KHR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxKHxx or xxxxKHxxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• Payments cannot be made to beneficiaries holding accounts with all local banking institutions.

Cameroon
XAF – Central African CFA Franc

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XAF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – Account numbers should be 23 digits. The RIB code consists of the 5 digit bank code + 5 digit branch code + 11 digit account number + 2 digit key.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCMxx or xxxxCMxxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• This country is a member of the Bank of Central African States.
• XAF is a zero decimal currency.

Canada
CAD – Canadian Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. Canadian bank branch routing number, SWIFT BIC code and beneficiary bank address). Absence of this information may result in delays or returns.
• Central Bank: For additional information, please refer to www.bankofcanada.ca.

Country Requirements/Restrictions
• Currency and Clearing Information: Canada has well-developed high-value and low-value electronic payment systems.
• Account Restrictions: Residents and non-residents can hold both domestic and foreign currency accounts. Most Canadian banks offer accounts in USD.
• Canada’s “Proceeds of Crime (Money Laundering) and Terrorist Financing Act” and related regulations impose an obligation on all Canadian financial institutions, including J.P. Morgan, to obtain certain information for wire payments transmitted in a SWIFT 103/103+ format and a SWIFT MT101s that result in the SWIFT MT103 format. In order to comply with these regulatory requirements, J.P. Morgan will require complete order party/beneficiary information to be included in any wire payments that are sent or received through your accounts with us in Canada.
  – Complete order party/beneficiary information includes: full account name, full account number, full beneficiary bank name, the SWIFT BIC code, and full physical address information. A full physical address must include: street number, street name, city or town, state or province where applicable, and country, preferably in the 2-character ISO format.

In circumstances where a street number is not assigned to a physical location, a description of the location, such as a building and street name, may be acceptable. A P.O. Box is not acceptable without a full physical address. State or province is also required for all U.S. and Canada addresses and for other countries, where applicable. Some Canadian banks also require the Canadian Clearing Code to avoid delays in processing.
Canada
Continued

- The ideal size of the mandatory fields for ordering party/beneficiary full account name is 35 characters. For the mandatory ordering party/beneficiary address, full physical address components should fit into the rest of the 3 lines with 35 characters in each line. Where the beneficiary name exceeds one line, the full beneficiary name and full address should fit in 4 lines. The address information should not overflow into other fields to avoid delays or rejection.
- Financial institutions may reject or delay your wires if the required information is not provided or address information does not include a full physical address in the mandatory fields.

Payment Formatting Rules for CAD

- Ordering Customer (SWIFT MT103/MT101 F50): For MT103 wire payments debiting a non-FCB1 client account, the JPMorgan wire engine will enhance the account name and address from account records. For all other MT103MT101 formatted wire transactions in and out of Canada, including those paid through an intermediary bank, include account number, full name (no initials), and full physical address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 or MT101 resulting in a SWIFT MT103 F59): For all transactions in and out of Canada, including those paid through an intermediary bank, include account number, full name (no initials), full physical address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- When paying CAD to a beneficiary who holds an account with Royal Bank of Canada or the Bank of Nova Scotia, the account number should be 12 digits.
- Telephone number of the beneficiary may also be provided in SWIFT MT103 F70

Canada
Continued

- Beneficiary Bank (SWIFT MT103 F57): Include the SWIFT BIC and the Canadian bank branch routing number2, or, where BIC and Routing Code is not provided by the counterparty, the full name, and full physical address of the beneficiary bank as an alternative, although, the payment may fall into repair. It is recommended by JPMorgan that the bank’s SWIFT BIC is provided, and, where applicable, the Canadian Clearing Code is provided for CAD payments. Where the SWIFT BIC is not provided, the wire payment may fall into repair.
- It is recommended by Payments Canada that the Canadian Clearing Code or routing code be used for payments denominated in CAD. The 9-digit routing number is made up of the Direct Payment Routing Number (4 digits) and the Branch Transit Number (5 digits). The structure is //CC followed by nine digits. Example: //CC123412345.
- Where applicable, the beneficiary bank address and/or transit number identifies which internal branch account the main bank should direct the funds to.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCVxx or xxxxCAXxxx.

Wire receipts for credit to a Canadian corporate account need to be received by JPMorgan Toronto in the swift MT103 format due to Canadian regulatory reporting obligations. If they are received in the MT202 format for credit to a corporate-owned account, the wire receipt in the MT202 format will be rejected and will have to be resent by the counterparty in the SWIFT MT103 format.

FBC means Foreign Correspondent Bank
Canadian Clearing Code is mandatory for Laurentian Bank, National Bank, Desjardins, CIBC & Meridian Bank, Manulife Bank, State Street Bank

Cape Verde
CVE – Cape Verdean Escudo

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bcv.cv.

Payment Formatting Rules for CVE

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F75): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCVxx or xxxxCVxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

The following character representations and length indications are used:

- N Digits numeric characters
- c Upper and lowercase alphanumeric characters (A-Z, a-z, and 0-9)
- a Uppercase letter alphabetic characters (A-Z only)
- e Blank space
- n Maximum length
- m Fixed length
Central African Republic

XAF – Central African CFA Franc

Overview
• Information Provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XAF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – Account numbers should be 23 digits. The RIB code consists of the 5 digit bank code + 5 digit branch code + 11 digit account number + 2 digit key.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCFxx or xxxxCFxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• This country is a member of the Bank of Central African States.
• XAF is a zero decimal currency.

Chad

XAF – Central African CFA Franc

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XAF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – Account numbers should be 23 digits. The RIB code consists of the 5 digit bank code + 5 digit branch code + 11 digit account number + 2 digit key.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxTDxx or xxxxTDxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• This country is a member of the Bank of Central African States.
• XAF is a zero decimal currency.

Chile

CLP – Chilean Peso

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, beneficiary’s email address, tax ID number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bcentral.cl/eng.

Country Requirements/Restrictions
• Payment Restrictions:
  – FX payments can only be made to on-shore residents with an in-country presence.
  – Import payments and export transactions above USD 5 million per year must be reported to the Banco Central de Chile.
• Account Restrictions: Residents and non-residents can open and maintain foreign currency accounts domestically and abroad. Foreign currency accounts held at commercial banks require certification of domicile and a tax identification number.
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.
  – NGOs need to present current registration documents at their local bank.

Payment Formatting Rules for CLP
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, telephone number, and tax ID of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – There are no specific beneficiary account number requirements in this country.
  – Include the beneficiary’s 9-digit RUT (tax ID) number and telephone number. This information is required to avoid payment delays or return. This information may also be provided in SWIFT MT103 F70.
Chile

Continued

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - There are no specific bank clearing codes in this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCLxx or xxxxCLxxxx.

• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.). Please refer to the Central Bank of Chile purpose of payment codes (pg 7-11)
  https://www.bcentral.cl/documents/33528/133521/Manual+de+Procedimientos+y+Formularios+de+Informaci%C3%B3n+del+CNCl.pdf/bcdfb774-330a-c6e1-b9fd-1b5e2e078426?et=1583165824643

• Sender to Receiver Information (SWIFT MT103 F72): To avoid payment delays, the beneficiary’s email address should be included. Please replace ‘@’ with ‘_AT_’ (blank space before and after ‘_AT_’) for smooth processing. Sample Format: /INT/name AT jpmchase.com.

Additional Information

• CLP is a zero decimal currency.

China

CNY – Chinese Yuan/Renminbi

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.pbc.gov.cn.

Country Requirements/Restrictions (On-Shore CNY)

• Payment Restrictions: This is a restricted currency. Restricted currency payments must include all required information or they will be canceled.
  - Beneficiary must have been activated in RCPMIS, the central bank reporting system, by its local bank before it can conduct any CNY cross-border transaction for the first time.
  - For corporations, payments can be for merchandise, service trade, other current account items (i.e., operating expenses) and approved capital activities.
• Account Restrictions: Non-resident companies require approval from the People’s Bank of China (PBOC) for the opening of CNY settlement account in China.
• Additional Documentation: Supporting documentation may be requested from the beneficiary to substantiate an FX trade.

Country Requirements/Restrictions (Off-Shore CNY)

• Currency & Clearing Information: The official ISO currency code for payments is CNY. It is used as the official code to denominate payments and accounts. CNH is the informal currency term used in the off-shore markets, and denotes the foreign exchange rate for the renminbi traded in the off-shore markets.
  - Hong Kong is by far the largest renminbi off-shore market due to its early participation in the renminbi international trade settlement scheme and the development of a domestic RMB clearing system (CHATS) where the Bank of China (Hong Kong) is the settlement institution.
• Payment Restrictions: Since the liberalization of the currency, the renminbi can be used globally as a trade settlement currency in off-shore jurisdictions (outside mainland China).
China

• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and as best practice, telephone number of the beneficiary customer. Use of initials or beneficiary name mismatches may delay receipt of funds by the beneficiary.
  - The provided beneficiary name should be exactly the same as the information registered in China’s central bank information system (RCPMIS).
• Beneficiary Bank (SWIFT MT103 F57): Include the CNAPS code of the beneficiary bank (preferred). Input of the CNAPS code should start with the code word “C/N”. If not available, then include the SWIFT BIC and full name and address of the beneficiary bank. Failing to provide beneficiary bank name and address could result in payment mid-routing and delays.
  - CNAPS is a 12/14-digit numeric code that identifies each CNAPS member bank. CNAPS is the renminbi RTGS clearing system in China.
  - If SWIFT BIC is not available or the ordering customer is sending local currency within China, include the full name and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCNxx or xxxxCNxxxx.
• Sender to Receiver Information (SWIFT MT103 F72): A purpose of payment code must be included on its own line in F72 for cross-border China-bound CNY payments. The purpose of payment code should be preceded by /ACC/PURPOSE. Sample Format: /ACC/PURPOSE/CAP/

<table>
<thead>
<tr>
<th>Code</th>

  - The purpose description (optional) can be added in line 2 or in SWIFT MT103 F70.
  - J.P. Morgan will reject without prior notice any China bound cross-border payment instructions missing purpose of payment codes.

Colombia

COP – Colombian Peso

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, beneficiary bank address, and beneficiary’s tax ID, email address, and telephone number).
• Central Bank: For additional information, please refer to www.banrep.gov.co/en.

Country Requirements/Restrictions

• Payment Restrictions: The beneficiary must have an in country presence to receive COP FX payments.
• Additional Documentation: Supporting documentation may be required from the beneficiary to receive credit into the account.
  - Anti-money laundering regulations require supporting documentation declaring the source of the funds when dealing with the FX desk.
  - The beneficiary is required to sign and return the two forms noted before 1:00 p.m. local time for funds to be received by 5:00 p.m. local time. Declaration form provided by the Central Bank of Colombia must contain the U.S. dollar amount that the third party vendor is sending to fund the payment. Letter of Instruction must also contain the U.S. dollar amount that the vendor is sending to fund the payment.

Payment Formatting Rules for COP

• Ordering Customer (SWIFT MT103 F50): For payments in all currencies, include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
  - Include full address, city, and country of the ordering customer.
• Beneficiary Customer (SWIFT MT103 F59): For payments in all currencies, include account number, full name (no initials), address, 10-digit beneficiary ID (e.g., NIT, RUT, Cédula de Ciudadanía), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - There are no specific beneficiary account number requirements in this country.
  - Include full address, city, and country of the beneficiary customer.

Colombia

Continued

The beneficiary’s 10-digit beneficiary ID number and telephone number is required to avoid payment delays or return. This information may also be provided in SWIFT MT103 F70.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - There are no specific bank clearing codes in this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCNxx or xxxxCNxxxx.
• Sender to Receiver Information (SWIFT MT103 F72): To avoid payment delays, the beneficiary’s email address should be included. Please replace ‘@’ with ‘_AT_’ (blank space before and after ‘_AT_’) for smooth processing. Sample Format: /INT/name AT jpmchase.com.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (goods, services, capital, etc.).

Additional Information

• In-country beneficiary banks supported for COP FX payments include: Banco AV Villas, Banco de Bogota, Bancolombia, Banco de Occidente, BBVA Colombia, CorpBanca, Citibank, Banco Caja Social BCSC, Banco Davivienda, Helm Bank (Banco de Credito), Banco Santander, Banco GNB Sudameris,(only payments less than 10,000 USD equivalent) and Banco Colpatria (only payments less than 10,000 USD equivalent)
• For payment below USD 10,000/COP: Beneficiary will have to accept the funds by filling out the appropriate forms on shore with their bank.
• For payment above USD 10,000/COP: Beneficiary bank will require any supporting documents to be filled out and presented on the day the transaction is closed for the funds to be credited.
Costa Rica

CRC – Costa Rican Colon

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, tax ID number, and beneficiary bank address).

Country Requirements/Restrictions
- Payment Restrictions: FX CRC payments to individuals are currently not supported.
- Account Restrictions: Non-residents can hold in-country accounts.
- Additional Documentation: Supporting documentation may be required from the beneficiary to receive credit into the account.

Payment Formatting Rules for CRC
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, tax ID number, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - The 17-digit account number called “Cuenta Cliente” is required.
  - IBAN numbers for beneficiaries with accounts in Costa Rica must be included in the payment instructions.

Cyprus
EUR – Euro

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.centralbank.gov.cy.

Country Requirements/Restrictions
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Cyprus.

Payment Formatting Rules for EUR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank. SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCYxx or xxxxCYxxxx.

Czech Republic (Czechia)
CZK – Czech Koruna

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.cnb.cz.

Country Requirements/Restrictions
• Currency & Clearing Information: Czech Republic is a member of the European Union and is adopting the payment practices of the European Union, although the country has not adopted the Euro.
• Payment Restrictions: Funds movement greater than CZK 1,000,000 involving resident and non-resident legal entities and funds transfers on residents’ accounts abroad must be reported to the Central National Bank.
• Account Restrictions: Residents and non-residents are permitted to open and maintain domestic currency (CZK) and foreign currency accounts both locally and abroad.
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in the Czech Republic. SEPA standards do not apply to Czech koruna payments.

Payment Formatting Rules for CZK
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
• There are no specific bank clearing codes for this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCZxx or xxxxCZxxxx.

Additional Information
• If the payee’s account is at the same bank as the payer, same-day settlement takes place. For interbank credit transfers, crediting can sometimes take as long as three working days.
• Domestic services are offered to all Czech Republic banks. However, not all banks are authorized to transfer payments abroad.

- Central Bank: For additional information, please refer to www.hkma.gov.hk.

Country Requirements/Restrictions

- Currency & Clearing Information: Hong Kong’s clearing system is separated into three categories: (1) RTGS payments (HKD, USD, EUR, and RMB); (2) Paper check clearing (CLG); and (3) Low-value electronic clearing (ECG).
  - Domestic clearing capabilities exist for USD, EUR, HKD, and RMB through the Clearing House Automated Transfer System (CHATS).
- Payment Restrictions: HKD is a freely traded currency on-shore and offshore. Hong Kong has no currency and exchange controls, or any legal restrictions on capital inflow and outflow.
  - No central bank reporting or approval requirements exist for domestic or cross-border transfers.
- Account Restrictions: There is no difference between accounts held by residents and non-residents. Both are allowed to open HKD and foreign currency accounts in Hong Kong.
  - Any corporation, financial institution, or individual can open accounts of any type and currency with any Hong Kong bank. However, the services offered depend on the bank’s registered status under the three tier banking structure.

Payment Formatting Rules for HKD

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address (P.O. box not accepted) of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.

Hungary

HUF – Hungarian Forint

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.mnb.hu

Country Requirements/Restrictions

- Currency & Clearing Information: Hungary is a member of the European Union (EU) and is adopting the payment practices of the EU, although it has not adopted the Euro.
- Payment Restrictions: The National Bank of Hungary requires all payments between residents and non-residents above EUR 12,500 to be reported.
  - Banks can use a EUR settlement system such as the EBA-EUR01 system, of which the National Bank of Hungary is a participant.
- Account Restrictions: Residents and non-residents are permitted to open and maintain domestic currency and foreign currency accounts both locally and abroad.
- SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Hungary. SEPA standards do not apply to Hungarian Forint payments.

Payment Formatting Rules for HUF

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN is required for all euro payments to beneficiaries with accounts in Hungary. IBAN is highly recommended for Hungarian forint payments.

- **Beneficiary Bank (SWIFT MT103 F57):** Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxoxISxx or xxxISxxxx.
- **Reason for Payment (SWIFT MT103 F70):** Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.). Any information that is vague/incomplete may need further clarification and result in payment delays.

**Additional Information**
- This is a zero decimal currency and therefore does not have cents

---

India

**INR – Indian Rupee**

**Overview**
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. IFSC code, account number, and beneficiary bank address).
- **Central Bank:** India’s exchange control policy is set by the government in conjunction with the Reserve Bank of India (RBI), which administers regulations. For additional information, please refer to www.rbi.org.in.

**Country Requirements/Restrictions**
- **Currency & Clearing Information:** Real Time Gross Settlement (RTGS) is the domestic high-value clearing system with a threshold of INR 200,000. National Electronic Funds Transfer (NEFT) is the domestic low-value clearing system, with no specified amount threshold for cap values.
  - For the latest listing of participating member banks, visit: www.rbi.org.in. Both the sending and the receiving bank must be RTGS or NEFT enabled.
  - Payments are settled on a first-in, first-out basis, either in real time (for RTGS) or within two hours (for NEFT) subjecting to working hours and bank holidays.
- **Payment Restrictions:** Different payment types are subject to different regulations, yet the purchase of INR is permitted for trade and current account purposes.
  - Foreign currency can be paid from offshore for local conversion subject to regulations.
  - All transactions with non-residents are subject to foreign exchange controls, but the INR is fully convertible for trade and current account purposes.
  - Transfer of funds from foreign currency accounts to an INR account is permissible subject to certain regulatory prescriptions and allowances.
  - Transfer of funds from a local currency account to a foreign currency account is not permitted except in certain regulatory situations.
  - In general, there are no limits on the amount received, as long as the necessary supporting documents are provided.
  - Sending payments to non-resident beneficiaries is permitted subject to foreign exchange management guidelines.

---

The following character representations and length indications are used:
- N Digits numeric characters
- c Upper and lowercase alphanumeric characters (A-Z, a-z, and 0-9)
- a Uppercase letter alphabetic characters (A-Z only)
- e Blank space
- n Maximum length
- nn Fixed length
India
Continued

• Additional Documentation: Additional documentation may be required from the remitter and/or beneficiary.

Payment Formatting Rules for INR

• Ordering Customer (SWIFT MT103 F50): Include account number, full name, and address of the ordering customer.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name, address, and as best practice, telephone number of the beneficiary customer.
  - Account number can’t contain dashes, spaces, or any other non-standard characters.
• Beneficiary Bank (SWIFT MT103 F57): Include beneficiary bank branch’s full name, address, including branch postal identification number (PIN), and branch telephone number (highly recommended).
  - Do not include SWIFT BIC. India does not use the SWIFT BIC network for domestic messaging. All payments must include the Indian Financial Services Code (IFSC) for electronic delivery of the payment.
  - There are two different 11-character IFSC codes. One code is for the National Electronic Funds Transfer (NEFT) system. Another code is for the Real Time Gross Settlement (RTGS) system. The beneficiary should obtain these codes when opening a local account.
• Reason for Payment (SWIFT MT103 F72): Payment purpose code must be provided. Payments received without a specific purpose code will be cancelled and returned to the remitter.
  - Please refer to the Reserve Bank of India’s payment purpose codes, beginning with “P”:
    - Format: /ACC/PURPOSE/IN<Purpose code><Country code providing ultimate service>*
    - Please see proceeding Additional Information section.
http://rbidocs.rbi.org.in/rdocs/notification/PDFs/ASAP840212FL21042020.pdf
  - Include individual’s account type in the payment details field.
  - Please contact the beneficiary to determine the type of account held by the beneficiary. Account types include:
    - Non-Resident Emigrant (NRE) - Format: /NRE/
    - Non-Resident Ordinary Account (NRO) - Format: /NRO/
Note: In order to avoid any delay in processing your transactions, kindly map the appropriate purpose code from the above link instead of using ‘P1099’ (Other services not included elsewhere), as we may seek further information on the transactions before applying the credits.

India
Continued

Additional Information

• In addition to the purpose code, you may also provide purpose of remittance within the narrative of the payment, to avoid potential issues. *For specific purpose codes, the country code for who the ultimate service was provided for must be provided. Please reference the following link for codes.
https://www.jpmorgan.com/cn/BlobServer/INDIA.Formatting.Change_for_Cross_Border_Wire_Payments_from_and_into_India.pdf?blobkey=id&blobwhere=1320747743163&blobheader=application/pdf&blobheadervalue1=Cache-Control&blobheadervalue2=private&blobcol=urldata&blobtable=MungoBlobs*
• If the RTGS IFSC or NEFT IFSC is missing or invalid, or the sending or receiving banks are not RTGS-enabled, a draft will be issued and mailed if the full beneficiary bank branch name, building, street, location, and PIN (Postal Identification Number) are provided in the Beneficiary Bank Field.

Indonesia
IDR – Indonesian Rupiah

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bi.go.id/en.

Country Requirements/Restrictions

• Currency & Clearing Information: Real Time Gross Settlement (RTGS) is the domestic high-value clearing system with a threshold of IDR 1,000,000,000. Transactions below IDR 1,000,000,000 are processed via Sistem Kliiring Nasional (SKN), the domestic low-value clearing system.
• Payment Restrictions: All foreign currency movements are subject to reporting. IDR transfers and deposits must be held-in-country.
• Payment Formatting Rules for IDR
  - IDR receipts in excess of USD 1,000,000 equivalent to IDR Non-Resident accounts must be accompanied with supporting documents.
• Additional Documentation: Declaration letter is required for conversion from IDR to Foreign Currency and additional supporting document for conversion greater than USD 25,000 equivalent. Supporting document to show the economic activities of the FX transactions and meet prevailing Bank Indonesia requirements.

Payment Formatting Rules for IDR

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - If the beneficiary name is not an exact match, or initials are used, the payment will be returned by beneficiary bank.
• Beneficiary address is mandatory for all IDR payments
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxDxx or xxxxDxxxx.
Indonesia

Continued

- Reason for Payment (SWIFT MT103 F70): Purpose of payment code must be clearly identified (rent, salary, medical expenses, office expenses, etc.).
  - The new mandatory data will need to be reflected in the following format: `/SKNINFO/A.B.C.D.E` in the first line of Reason for payment.
  - Example: `/SKNINFO/2.1.0.1.1`

- Import and Export Foreign Currency Exchanged (SWIFT MT103 F70): Importer and Exporter must provide purpose code (1011 for Export Proceed and 2012 for Import Payment) and invoice information in the format that is defined by Bank Indonesia as follow:

  For Export Proceed: `/[Code Word other country]/[Purpose Code]/[InvoiceNo1][InvoiceAmt1][InvoiceNo2][InvoiceAmt2]`

  For Import Payment: `/[Code Word other country]/[Purpose Code]/[InvoiceNo1][InvoiceAmt1][InvoiceNo2][InvoiceAmt2]`

- Exporter and/or Importer can submit revision of the information by sending MT199 to the Sender or Beneficiary Bank and put the revised information in F79. Providing information in the wrong formatting per Bank Indonesia requirement will cause the transaction can’t be processed further or even rejected.

- Regulator Reporting (SWIFT MT103 F72): When sending a foreign currency payment to Indonesia greater than the equivalent of USD 10,000, the remitter must provide the following information for Indonesia FX reporting to the Central Bank. Sample format: `/ACC/PURPOSE/BIDATA, (ISO Country Code), (Category), (Relationship), (Transaction Purpose Code)`. Status ISO Country Code: If Remitter is a Resident input “ID”, if Remitter is a Non-Resident input ISO Country code “XX”
  - Acceptable Categories: Individual (A0), Government (B0), Reporting bank (C1), Branch/Head Office abroad (C2) Other bank (C9), Non-banking financial institution (D0), Company (E0), Others (Z9)
  - Relationship with Ordering Party: Group (G), Non-affiliated (N), Shareholder (P), Affiliated (T)
  - Transaction Purpose Code: For acceptable Transactions Purpose Codes, refer to jpmorgan.com/visit/ID_Purpose_Code And code should be formatted as “1XXX” (incoming transaction).

- The value date applied to the beneficiary will be value date plus one day for payments initiated out of a US account.
- Movement of funds in excess of USD 10,000 will be reported to Indonesia’s Central Bank on a monthly basis.

Indonesia

Ivory Coast
XOF – West African CFA Franc

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Payment Formatting Rules for XOF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – It is mandatory to format account numbers for beneficiaries with accounts in Ivory Coast according to the below specifications.
  – Account numbers should be 24 characters consisting of the 5 character bank code (including the 2 character country code) + 5 character branch code + 12 digit account number + 2 digit Clé RIB.

Country Code
CI

Length
24c

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCIxx or xxxxCIxxxxx.

Additional Information
• This country is a member of the Central Bank of West African States.
• XOF is a zero decimal currency.

Jamaica
JMD – Jamaican Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.boj.org.jm.

Payment Formatting Rules for JMD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address (street address and city), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxuMxx or xxxuMxxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Country Requirements/Restrictions
• Currency & Clearing Information: In Japan, there are two cash clearing systems for Japanese Yen payments. One is Zengin and the other is FXYCS. Each clearing system has different rules and message format guidelines.
  – Zengin is a clearing system for domestic yen payments among Japanese residents.
  – FXYCS is used for international, cross-border yen payments for both Japanese residents and non-residents.

• Maximum payment amount between residents through local clearing system, Zengin, is JPY 9,999,999,999. Amounts exceeding this limit are split into multiple transactions.
  – “Payment on Behalf Of” or “Receipt on Behalf Of” service is not available for Zengin payments.

• Payment Restrictions: JPY is a freely traded currency both on-shore and offshore.
  – JPY payments must be entered in whole amounts with no decimal to avoid rejection.
  – Resident companies must report details of all non-trade related transfers in excess of JPY 30,000,000 or the FX equivalent.
    – For outgoing Zengin payments, the debit account with JPMorgan Chase Tokyo must be a resident account. For incoming Zengin payments, the credit account with JPMorgan Chase Tokyo must be a resident account.
    – For outward payments from Japan, payers and payees are required to confirm their cross-border payments are not related to sanctions in North Korea and/or Iran. Most Japanese banks request remitters to input “NNKNI” in payment instructions for confirmation that the payment is not related to these sanctions. Without this confirmation, payments may be delayed or cancelled.

• Account Restrictions: JPY accounts and foreign currency accounts can be opened by resident and non-residents.
Japan

Continued

- Additional Documentation: For over-the-counter money transfers over JPY 100,000, Japanese ID confirmation law requires banks to confirm the customer’s name, address, and birthday with a government-issued ID. If the customer is an account holder, confirmation is not required as the same process is required to open an account. If problems are encountered, have the beneficiary’s name, account number, and telephone number available.

Basic Payment Formatting Rules for JPY

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  
  For Zengin Payments: In addition to the account number, there are various account types within Japan, including: Saving (“S”), DDA (“D”), Chochiku (“C”), and Others (“O”). The account type is mandatory for all Zengin payments and must precede the beneficiary account number in the beneficiary customer field. Example: S12345678.
  
  For Zengin Payments: The beneficiary’s exact account name in local language is required. If the account name does not perfectly match with the beneficiary’s account name recorded at the beneficiary bank, the payment may be delayed.
- Reason for Payment (SWIFT MT103 F70, F2, or F77B): For transactions relating to non-account debits and credits, purpose of payment is required for transactions over JPY 1,000,000 or equivalent. This information should be included in either the payment details (SWIFT Field 70), bank to bank (SWIFT Field 72), or regulatory reporting fields (SWIFT Field 77B). It is recommended to ask the beneficiary for confirmation of the exact field to insert payment purpose for their specific beneficiary bank. Without this information, the payment may be delayed.
  
  It is recommended to ask the beneficiary for confirmation of the exact field to insert payment purpose for their specific beneficiary bank. Without this information, the payment may be delayed.

Payment Formatting Rules for FXCS (International/Cross-border Clearing System)

- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch location, full name, and address of the beneficiary bank. This information is required to avoid payment delays.
  
  SWIFT BIC is 8 or 11 alphanumeric characters: xxxuJPxx or xxxuJPxxxx.
  
  Bank to Bank Information (SWIFT MT103 F72):
  
  For outbound payments from a Tokyo branch account, enter “FXCS” (International/Cross-Border Clearing System) on its own line in F72.

Payment Formatting Rules for Zengin (Domestic Clearing System)

- Beneficiary Bank (SWIFT MT103 F57): Japanese banks have a unique 4-digit local bank code decided by JBA. Each bank also has a 3-digit branch code. Combined, the 7-digit bank/branch code identifies the specific beneficiary bank.
  
  Bank Branch Code should always be preceded with “/ZN” followed by the 4-digit bank code and the 3-digit branch code. Example: /ZN0402001

Additional Notes

- Lifting fees are standard market practice in Japan. Lifting fees are calculated as a percentage of the transaction value (around 1/20% of the payment amount).
- JPY is a zero decimal currency.
- Payments to Post Bank (JPPSJ1XXX) are not permitted.

Jordan

JOD – Jordanian Dinar

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.cbj.gov.jo.

Payment Formatting Rules for JOD

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  
  IBAN numbers for beneficiaries with accounts in Jordan must be included for payments in all currencies.

- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  
  SWIFT BIC is 8 or 11 alphanumeric characters: xxxuJ0xx or xxxuJ0xxxx.
Jordan
JOD - Jordanian Dinar

• Reason for Payment (SWIFT MT103 F70 A): A 4-digit payment code and a description of the purpose of payment must be included (rent, salary, medical expenses, office expenses, etc.) for cross-currency payments.
  - Include the 4-digit code in the first line. Sample Format: 1234
  - The next line should include a description of the purpose of payment. Sample Format: //Rent

Additional Information
• Local market is closed on Fridays.

Kazakhstan
KZT – Kazakhstani Tenge

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
  - Central Bank: For additional information, please refer to www.nationalbank.kz.

Country Requirements/Restrictions
• Additional Documentation: The beneficiary must complete all required documentation at their local bank by value date to receive credit into the account. If all documentation is not completed by value date, the exact payment amount can’t be guaranteed.

Payment Formatting Rules for KZT
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
  - Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
    - IBAN numbers for beneficiaries with accounts in Kazakhstan must be included in the payment instructions.

Account # Ex | KZ12 345A BC67 8912 3456

Structure | 2ln2ln3ln13lc
Length | 20lc
Electronic Format Ex. | KZ12345ABC6789123456
Print Format Ex. | KZ12 345A BC67 8912 3456

• Full beneficiary address is required.
  - Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
    - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxxZxx or xxxxxZxxxx.

• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, etc.). 7-digit purpose code required in a string format without colons or spaces on the first line of Field 70, i.e. KNPZXXYY
  - ZZZ = KNP (3-digit transaction code, list of codes available upon request)
  - XX = KOD (sender’s code which will always be 27 for non-resident senders)
  - YY = KBE (beneficiary code)

• Sender to Receiver Information (SWIFT MT103 F72): Include the code obtained from your counterparty in Kazakhstan.
  - The beneficiary’s Business Identification Number (BIN) or Individual Identification Number (IIN) is a 12-digit number preceded with the keyword /BNF/ for all payments.
  - The beneficiary’s KBE or KOD code is a 2-digit number that must be included in all payments to Kazakhstan. Example for J.P. Morgan Bank KBE: 24 (non-resident bank). The first digit in the KBE can either be 1 or 2, which refers to:
    1 – Resident of Kazakhstan
    2 – Non-resident of Kazakhstan
  - The second digit represents:
    1 – Central Government
    2 – Regional and Local Authorities
    3 – Central Banks
    4 – Other Deposit Organizations (Banks)
    5 – Other Financial Organizations
    6 – State Non-Financial Organizations
    7 – Non-State Non-Financial Organizations
    8 – Non-Commercial Organizations (funds, charity, etc)
    9 – Individuals, Private Entrepreneurs
  - Payments to Kazakhstan require a 3-digit payment code known as the KNP (or 7-digit UPDC code). This code describes the nature of the payment as classified by the National Bank of Kazakhstan. This code must be included in SWIFT MT103 F72 for all payments. Frequently used KNP codes include:
Kazakhstan

Continued

213 – Transfer of KZT for foreign currency purchase
223 – Transfer of foreign currency for KZT purchase
290 – FX penalties
312 – MM deal open (interbank lending/borrowing)
322 – MM deal close (take-up)
411 – Short-term loan disbursement
413 – Long-term (more than 1 year) loan disbursement
421 – Short-term loan repayment
423 – Long-term loan repayment
710 – Payment for goods
841 – Payment for financial services
859 – Payment for services

Additional Information

• All KZT payments must be made with the charge indicator ‘OUR’.

Kenya

KES – Kenyan Shilling

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.centralbank.go.ke.

Payment Formatting Rules for KES

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with 5-digit branch identifier (first 2 digits are bank code), full name, and address of the beneficiary bank.
  – No bank clearing codes exist in Kenya for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxKExx or xxxxKExxxxxxxx.

Kuwait

KWD – Kuwaiti Dinar

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.cbk.gov.kw.

Country Requirements/Restrictions

• Account Requirement: Non-residents can hold local and foreign currency accounts.
• Payment Restrictions: There are no foreign exchange controls.

Payment Formatting Rules for KWD

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – IBAN numbers for beneficiaries with accounts in Kuwait must be included in the payment instructions.

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – No bank clearing codes in Kuwait for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxKWxx or xxxxKWxxxxxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• Markets are closed on Fridays.
Kyrgyzstan
KGS – Kyrgyzstani Som

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.nbkr.kg.

Country Requirements/Restrictions
• Payment Restrictions: Payments for rent of premises sent directly to the landlord are not permitted. All other payments to individuals are allowed.
• Additional Documents: Beneficiaries of FX payments must complete all required forms advising of the nature of the payment and beneficiary before the account is credited.

Payment Formatting Rules for KGS
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include 16-digit account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include 6-digit BIK code, SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
• The 6-digit BIK code is used to route or clear funds in Kyrgyzstan.
• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxKGxx or xxxxKGxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).
• Payment code (8 digits) must be included in the payment instructions to describe the nature of the payment.

Laos
LAK – Lao Kip

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bol.gov.la.

Country Requirements/Restrictions
• Payment Restrictions: All foreign exchange earnings must be deposited in a local account.
• Account Restrictions: Residents can maintain foreign exchange accounts. Accounts can’t be opened abroad except where deemed necessary.

Payment Formatting Rules for LAK
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), full address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxLAxx or xxxxLAxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• This is a zero decimal currency and therefore does not have cents.

Latvia
EUR – Euro

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Latvia.

Payment Formatting Rules for EUR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• IBAN numbers for beneficiaries with accounts in Latvia must be included in the payment instructions.

**Malaysia**

**MYR – Malaysian Ringgit**

**Overview**
- Central Bank: For additional information, please refer to www.bnm.gov.my.

**Country Requirements/Restrictions**
- “Resident” means (a) a citizen of Malaysia, excluding a citizen who has obtained permanent resident status in a country or a territory outside Malaysia and is residing outside Malaysia; (b) a non-citizen of Malaysia who has obtained permanent resident status in Malaysia and is ordinarily residing in Malaysia; (c) a body corporate incorporated or established, or registered with or approved by any authority, in Malaysia; an unincorporated body registered with or approved by any authority in Malaysia; or (e) the Government or any State Government.
- “Non-resident” means (a) any person other than a resident; (b) an overseas branch, a subsidiary, regional office, sales office or representative office of a resident company; (c) Embassies, Consulates, High Commissions, supranational or international organizations; or (d) a Malaysian citizen who has obtained permanent resident status of a country or territory outside Malaysia and is residing outside Malaysia.
- If required, the remitter should obtain prior approval for the payment from Bank Negara (Central Bank).
- Speculative trading is not allowed.
- MYR is not available for the Labuan branch due to regulatory restrictions.

**Central Bank’s Foreign Exchange Administration Rules**
- The Foreign Exchange Administration Rules (FEA) may be updated from time to time by Bank Negara Malaysia. Please refer to Central Bank website (http://bnm.my/fea) for adherence to the latest FEA Rules.
- Additional Documentation: Due to Malaysian regulations, either the Central Bank of Malaysia (Bank Negara) or J.P. Morgan may request supplementary documentation as evidence for the reason of payment. Clients should prepare and retain documentation for evidence of payments (e.g. loan agreements, invoices). Upon request, please send the scanned copy of the supporting documents to ffe.screening.unit@jpmorgan.com.
- Transactions without supporting documentation or with incomplete or unclear purpose code will be delayed or rejected.
Malaysia’s Payment Purpose Codes

For more guidance on Malaysia’s purpose codes, please use the following link: https://jpmorganaccess.com.my/pdf/BNMPurposeCodes.pdf

- **XOF is a zero decimal currency.**
Malta
EUR – Euro

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Malta.

Payment Formatting Rules for EUR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.

Mauritania
MRU – Mauritanian Ouguiya

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Payment Formatting Rules for MRU
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.

Mauritius
MUR – Mauritian Rupee

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bom.mu.

Payment Formatting Rules for MUR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the exact location of the beneficiary bank branch.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• The ISO code changed on January 1, 2018 from MRO to MRU.
Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions

• Currency & Clearing Information: Mexico has high and low value electronic payment systems.

• Account Restrictions: Residents can open and maintain foreign currency accounts domestically and abroad. However, only companies residing in Mexico or residents in the northern border areas (e.g., Baja California) are allowed to hold foreign exchange demand deposit accounts domestically.

Payment Formatting Rules for MXN

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and as best practice, telephone number of the beneficiary customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.

• There are no specific bank clearing codes in Mexico for cross-border payments. SWIFT BIC is key to routing payments.

• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxxMxx or xxxxMxxxxx.

• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• The Bank of Mexico has the right to revoke FX payments for failure to provide timely reporting, accurate information, and timely payment settlements.

Mongolia

MNT – Mongolian Tugrik

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

• Central Bank: For additional information, please refer to www.mongolbank.mn/eng.

Country Requirements/Restrictions

• Payment Restrictions: If necessary, banks may set limits up to 25% of the company or individual’s equity capital on total cash FX purchases for each business day.

Payment Formatting Rules for MNT

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the exact location of the beneficiary bank.

• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxxMNxx or xxxxMNxxxxx.

• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• The Bank of Mongolia has the right to revoke FX payments for failure to provide timely reporting, accurate information, and timely payment settlements.

Monaco

EUR – Euro

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions

• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Monaco.

Payment Formatting Rules for EUR

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.

• IBAN numbers for beneficiaries with accounts in Monaco must be included in the payment instructions.

New Zealand
NZD – New Zealand Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, BSB number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.rbnz.govt.nz.

Payment Formatting Rules for NZD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
  – Avoid P.O. Box numbers and include city, state, country and postal code for the ordering customer’s address.
  – For payments out of New Zealand, BSB numbers must be included in the ordering details.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and as best practice, telephone number of the beneficiary customer. Use of initials or failure to provide full beneficiary customer details may result in payment details.
  – New Zealand dollar account numbers (16 digits) consist of a 6-digit BSB followed by a 7 digit account number then followed by a 3-digit suffix (e.g., 1234561234567123 OR 123456123456768123).
  – The BSB is a 6-digit Bank and Branch number where the first 2 digits specify the bank and the last 4 digits specify the branch.
  – Avoid P.O. Box numbers and include city, state, country and postal code for the beneficiary customer’s address.
• Beneficiary Bank (SWIFT MT103 F57): Include the Bank and Branch (BSB) number and SWIFT BIC, full name, and address of the beneficiary bank.
  – New Zealand banks are identified by a 6-digit Bank and Branch number, often referred to as a BSB, where the first 2 digits specify the bank and the last 4 digits specify the branch, (e.g. 11-2908). For payments into New Zealand, BSB numbers must be included in the beneficiary details.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxNxxxx or xxxNxxxxx.
  – Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Nicaragua
NIO – Nicaraguan Cordoba

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bcn.gob.ni.
• No payments under 100.00 USD equivalent.
• Payments to individuals under 300.00 USD equivalent can only be made if the beneficiary has an account at Banco Lafise.

Payment Formatting Rules for NIO
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – There are no specific beneficiary account number requirements in this country.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxNxxxx or xxxNxxxxx.
  – Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Niger
XOF – West African CFA Franc

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XOF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – It is mandatory to format account numbers for beneficiaries with accounts in Niger according to the below specifications.
  – Account numbers should be 24 characters consisting of the 5 character bank code (including the 2 character country code) + 5 character branch code + 12 digit account number + 2 digit Clé RIB.

Nigeria

NGN – Nigerian Naira

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to https://www.cbn.gov.ng/.
• Effective immediately, Payments to individuals from corporations/organizations are permitted again. However where underlying remitter is an individual such payments are still not permitted. Payments between corporations/organizations continue to be supported.

Payment Formatting Rules for NGN

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank. There are no specific bank clearing codes for this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Norway

NOK – Norwegian Krone

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.norgesbank.no.

Country Requirements/Restrictions

• Currency & Clearing Information: Norway is adopting the payment practices of the European Union (EU), although the country has not adopted the Euro.
• Account Requirements: Residents and non-residents are permitted to open and maintain domestic or foreign currency accounts either locally or abroad. However, residents can’t convert their domestic currency into foreign currency.
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Norway. SEPA standards do not apply to Norwegian krone payments.

Payment Formatting Rules for NOK

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  Use of IBAN numbers is highly recommended. IBAN is required for all EUR payments subject to SEPA standards.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  SWIFT BIC is 8 or 11 alphanumeric characters: xxxxNOxx or xxxxNOxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• For category 2 message types with a Norwegian bank in Field 57A and information in Field 72, the receiving bank will process the payment as a straight-through without considering the Field 72 information.
• Shared charges may be applied for payments in the EEA, subject to PSD2 regulations. This may result in deductions to the amount received by the beneficiary.

**Oman**

**OMR – Omani Rial**

**Overview**

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.cbo-oman.org.

**Payment Formatting Rules for OMR**

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address (street address, city, country), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxOMxx or xxxxOMxxxxx.

**Additional Information**

- The local market is closed on Fridays.

---

**Pakistan**

**PKR – Pakistani Rupee**

**Overview**

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.sbp.org.pk.

**Country Requirements/Restrictions**

- Additional Documentation: Additional supporting documentation may be required from the beneficiary. The beneficiary needs to complete the Inward Remittance form (Form R) outlining the reason for payment.
  - The beneficiary’s bank must forward Form R to our correspondent bank before the funds can be released.
  - It is recommended that the remitter notify the beneficiary about the payment in advance.
- Please note that if the beneficiary is registered locally as an NGO, INGO or NPO, they may be required to provide the Memorandum of Understanding (MOU) signed with Government of Pakistan and one of the following documents to be submitted together with the Form R.
  - Registration with Economic Affair Division (EAD)
  - Registration with Ministry of Interior (MOI)

**Payment Formatting Rules for PKR**

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- IBAN numbers for beneficiaries with accounts in Pakistan must be included in the payment instructions.
- Account # Ex: 12345678912345
- Country Code: PK
- Structure: PK21n41a16c
- Length: 24c
- Electronic Format Ex: PK98ABCD7612345678912345
- Print Format Ex: PK 98 ABCD 7612345678912345

**Additional Information**

- FX payments to Pakistan in PKR crediting a non-resident account are not supported.
- If the beneficiary banks with our onshore correspondent banks the transfer is typically completed within 2-3 business days. If the beneficiary does not have an account with our correspondent banks, all transfers will be effected via banker’s draft and can take up to 5 business days to clear.
Papua New Guinea
PGK – Papua New Guinea Kina

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bankpng.gov.pg.

Country Requirements/Restrictions
- Payment Restrictions: Foreign exchange is subject to restrictions. Payments can only be made to on-shore residents with an in country presence.
- Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for PGK
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, tax ID, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Paraguay
PYG – Paraguayan Guarani

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Payment Formatting Rules for PYG
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, tax ID, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
- PYG is a zero decimal currency.
- Beneficiary tax ID (for companies): RUC will always start with the numbers 800 followed by 6 digits (Mandatory Field 70).

Peru
PEN – Peruvian Sol

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, CCI number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bcrp.gob.pe.

Payment Formatting Rules for PEN
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
- PEN is a zero decimal currency.
- Beneficiary tax ID (for companies): RUC will always start with the numbers 800 followed by 6 digits (Mandatory Field 70).

The following character representations and length indications are used:

- **N**: Digits numeric characters
- **c**: Upper and lowercase alphanumeric characters (A-Z, a-z, and 0-9)
- **a**: Uppercase letter alphabetic characters (A-Z only)
- **e**: Blank space
- **n**: Maximum length
- **m!**: Fixed length
Phippines
PHP – Philippine Peso

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bsp.gov.ph.

Country Requirements/Restrictions
- Payment Restrictions: PHP can only be converted in-country and can’t be held offshore.
  - Receipts in excess of PHP 500,000 or foreign currency equivalent must be reported to the Anti-Money Laundering Committee.
- Account Restrictions: Non-residents may hold domestic and foreign currency accounts subject to certain conditions under the BSP Manual of Regulations on FX transactions.
- Additional Documentation: Additional supporting documentation may be required from the remitter and beneficiary.

Payment Formatting Rules for PHP
- Ordering Customer (SWIFT MT103 F50): For all transactions in and out of the Philippines, including those paid through an intermediary bank, include account number, full name (no initials), and address of the ordering customer. Failure to provide full ordering customer details may result in payment delays.
  - Avoid P.O. Box numbers and include street address, city, state, country and postal code for the ordering customer’s address.
- Beneficiary Customer (SWIFT MT103 F59): For all transactions in and out of the Philippines, including those paid through an intermediary bank, include account number, full name (no initials), address of the beneficiary customer, and as best practice, the beneficiary’s telephone number. Failure to provide full beneficiary customer details may result in delays or returns.
  - Avoid P.O. Box numbers and include street address, city, state, country and postal code for the beneficiary’s address.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxPhxx or xxxxPhxxxx.

- Reason for Payment (SWIFT MT103 F72): The purpose of payment is required to be reported for all incoming and outgoing cross-border wire payments. Payments received without a specific purpose code may be cancelled and returned to the remitter. Provide a purpose for payment formatted as “/ACC/PURPOSE/XXXXXXXXXX” where “XXXXXXXXXX” is the Purpose code. Acceptable transaction Purpose codes can be provided upon request.
  Please use this link for reference: jpmorgan.com/visit/bsp-purpose-code-2020-update

Additional Information
Due to heightened AML requirements in the Philippines, any transaction may be pulled up (particularly if the POP is unclear) and placed on hold pending supporting documentation to be provided by the remitter, such as but not limited to: invoices, shipping manifests, employment contracts for salary payments, etc. before a payment is cleared.

Poland
PLN – Polish Zloty

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.nbp.pl.

Country Requirements/Restrictions
- Currency & Clearing Information: Poland is a member of the European Union (EU) and is adopting the payment practices of the European Union. However, the country has not adopted the Euro.
- Payment Restrictions: All transactions between residents and non-residents made on resident accounts held abroad must be reported to the National Bank of Poland if exceeding the equivalent of EUR 12,500.
- Account Restrictions: Residents and non-residents are permitted to open and maintain domestic or foreign currency accounts either locally or abroad. However, residents can’t convert their domestic currency into foreign currency.
- SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Poland. SEPA standards do not apply for Polish zloty payments.

Payment Formatting Rules for PLN
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - Use of IBAN numbers is highly recommended. If IBAN is not provided, there is a high risk the payment will be returned. IBAN is required for all EUR payments subject to SEPA standards.

  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxPTxx or xxxxPTxxxxx.
Qatar

QAR – Qatari Riyal

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Payment Formatting Rules for QAR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address (street address, city, country), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• IBAN numbers for beneficiaries with accounts in Qatar must be included in the payment instructions.

Additional Information
• As best practice, include the beneficiary’s telephone number in the event there are any problems. This information may also be provided in SWIFT MT103 F70.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
• There are no specific bank clearing codes in this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
• SWIFT BIC is 8 or 11 alphanumeric characters: xxxQAx or xxxQQxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• The local market is closed on Fridays.

Republic of the Congo

XAF – Central African CFA Franc

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XAF
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Account numbers should be 23 digits. The RIB code consists of the 5 digit bank code + 5 digit branch code + 11 digit account number + 2 digit key.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxCGxx or xxxxCGxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• This country is a member of the Bank of Central African States.
• XAF is a zero decimal currency.

Additional Information
• If the final beneficiary is TREZROBU (Ministry of Public Finance), the NIF tax code is required.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
• SWIFT BIC is 8 or 11 alphanumeric characters: xxxxROxx or xxxxROxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• Customer transfers will be executed in accordance with the banking practices of the receiving bank and within four days after receipt of the instructions.

Romania

RON – Romanian Leu

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions
• Currency & Clearing Information: Romania is a member of the European Union (EU) and is adopting the payment practices of the European Union. However, it has not adopted the Euro.
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Romania.

Payment Formatting Rules for RON
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the ordering customer. Use of initials may delay receipt of funds by the beneficiary.
• IBAN numbers for beneficiaries with accounts in Romania must be included in the payment instructions.

Additional Information
• Customer transfers will be executed in accordance with the banking practices of the receiving bank and within four days after receipt of the instructions.
Russia
RUB – Russian Ruble

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.cbr.ru.

Regulatory Requirements/Restrictions
- Currency & Clearing Information: The Central Bank of Russia coordinates payments and settlements between 70+ regional centers. Payments are currently sent by batch multiple times daily.
  - All batch processed payments in the same region are typically settled by the Central Bank of Russia on a same day basis. Payments to different regions may take up to three business days.
  - Effective January 1, 2017, all payments in Russian ruble ("RUB") exceeding RUB 100mm need to be routed via the real time gross settlement ("RTGS") clearing system called Banking Electronic Speed Payment System (BESP).
- Payment Restrictions: There are no restrictions on the types of payments allowed.
  - The beneficiary may need to open a passport at the local beneficiary bank for a payment for goods and services or loan exceeding USD 5,000.
- Account Restrictions: Residents and non-residents are permitted to open and maintain domestic and foreign currency accounts either locally or abroad. Residents must notify the tax authorities of any foreign-maintained accounts.
- Additional Documentation: Cross-border payments are settled via correspondent bank accounts and often require supporting documentation. The Russian correspondent bank must receive all documentation before it releases the payment to the beneficiary bank.

Payment Formatting Rules for RUB
- Payment instructions must include a wide array of country-specific information in addition to standard remittance information. Please be aware that your RUB payment may be cancelled if you fail to include this information in your payment instructions.
- Ordering Customer (SWIFT MT103 Field 50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

Russia Continued
- Beneficiary Customer (SWIFT MT103 Field 59): Include the beneficiary’s 20-digit account number, full name, address, and individual tax payer number (INN).

Line 1: Account Number (20 digits)
Line 2-3: Remitter Name
Line 4: City, Country
Line 5: INN Code

- If there is only one beneficiary bank (Russian bank) and beneficiary, include the beneficiary customer’s 20-digit account number in this field. If an intermediacy is used, the 20-digit account number of the beneficiary bank should be included in SWIFT MT103 F57.
- First name, family name, and patronymic name must be included. Use of initials can delay receipt of funds by the beneficiary. Companies must include full name as well as legal ownership (e.g. LLC, JSC).
- INN is the taxpayer’s identification code assigned by the Russian Tax authority. The length of this code varies based on the type of beneficiary. If the beneficiary is an individual, this field is optional and consists of 12 digits. If the beneficiary is a Russian legal entity, this field is mandatory and consists of 10 digits. If the beneficiary is a foreign legal entity, this field is mandatory and consists of 5 digits or 10 digits, depending on whether or not the foreign legal entity conducts business in Russia.
  - If the payment is a tax payment, then the reason code KPP should be included in SWIFT MT103 F59.
  - SWIFT MT103 F70 may be used for the telephone number.
- Beneficiary Bank (SWIFT MT103 Field 57): Include the BIK, 20-digit account number, and SWIFT BIC of the beneficiary bank.
  - BIK, formerly known as MFO, is a nine-digit number that the Central Bank of Russia gives to all Russian banks. The last three digits are the same as the account number in the correspondent account of the bank with the Central Bank of Russia. The format for the nine-digit BIK and twenty-digit account number should read: /RU000000XXX XXXXXXXXX0000000XXX.
  - If there is an intermediery bank in SWIFT MT103 F56A, make sure F57A includes the 20 digit account number of the beneficiary bank as well as the SWIFT BIC.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxRUxx or xxxxRUxxxx.

Russia Continued
- Intermediary Bank (SWIFT MT103 Field 56): If an intermediacy is being used, include the bank’s SWIFT BIC in SWIFT MT103 F56A.
  - If the intermediary does not have a SWIFT BIC or if the BIC is not available to you, include the intermediery bank’s BIK, name and 20-digit account number.
- Reason for Payment (SWIFT MT103 Field 70): Purpose of payment must be clearly identified.
  - The field must always start with VO and the numeric code of the transaction. The VO code is the operation code relating to the purpose of the payment. This should be followed by the key details/description of the payment (e.g. contract references).
  - Include accurate and clear purpose of payment, date of invoice agreement, and NDS (VAT) amount, where applicable. If VAT is included, the amount is needed. If VAT is not to be paid, include “NO VAT.”
  - Example: VO60070 FX trade dated 10/20/09 contract ref: AF12123. The latest list of VO codes can be provided upon request.
- Details of Charges (SWIFT MT103 Field 71A): It is best practice to make RUB payments with charge indicator “OUR.”

Additional Information
- Back value is prohibited on RUB payments.

**Rwanda**

**RWF – Rwandan Franc**

**Overview**
- Restricted Currency: Please refer to the Introduction to this guide for further details. Restricted currency payments must include all required information or they will be canceled.
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bnr.rw.

**Country Requirements/Restrictions**
- Additional Documentation: A copy of the beneficiary’s identity card may be needed for final credit to the account.

**Payment Formatting Rules for RWF**
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxRWxx or xxxxRWxxxxx.
  - Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

**Additional Information**
- RWF is a zero decimal currency.

**Saint Kitts and Nevis**

**XCD – East Caribbean Dollar**

**Overview**
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.eccb-centralbank.org.

**Payment Formatting Rules for XCD**
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxKNxx or xxxxKNxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

**Saint Lucia**

**XCD – East Caribbean Dollar**

**Overview**
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.eccb-centralbank.org.

**Payment Formatting Rules for XCD**
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in Saint Lucia must be included in the payment instructions.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxLCxx or xxxxLCxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

São Tomé and Príncipe
STN – São Tomé and Príncipe Dobra

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Payment Restrictions: Foreign exchange and capital transactions are subject to some restrictions, approvals, and controls.

Payment Formatting Rules for STN
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in São Tomé and Príncipe must be included in the payment instructions.

Saudi Arabia
SAR – Saudi Arabian Riyal

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.sama.gov.sa.

Country Requirements/Restrictions
• Currency and Clearing Information: Saudi Arabia has a Real Time Gross Settlement system, Saudi Arabian Riyal Interbank Express (SARIE), that handles high- and low-value transfers in signal- or bulk-payment messages. Bulk messages can contain up to 2,000 individual transfers.

Payment Formatting Rules for SAR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and full address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
  - Account number, full name and address of the ordering customer must be included to avoid delays and returns.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address (street address, city, country), beneficiary identification number, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in Saudi Arabia must be included in the payment instructions.

Additional Information
• The local market is closed on Fridays.
• P2P payments are not permitted.
Senegal
XOF – West African CFA Franc

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
- Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for XOF
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - It is mandatory to format account numbers for beneficiaries with accounts in Senegal according to the below specifications.
  - Account numbers should be 24 characters consisting of the 5 character bank code (including the 2 character country code) + 5 character branch code + 12 digit account number + 2 digit Clé RIB

Sierra Leone
SLL – Sierra Leonean Leone

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bsl.gov.sl.

Country Requirements/Restrictions
- Payment Restrictions: Direct investment abroad by residents is prohibited. Foreign exchange and capital transactions have some restrictions and certain approval requirements.
- Account Restrictions: Residents and non-residents may hold foreign exchange accounts, subject to some restrictions.

Payment Formatting Rules for SLL
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name, and address of the exact location of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxSLxx or xxxxSLxxxx.
  - The exact location of the branch must be provided to avoid payment delays.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Singapore
SGD – Singapore Dollar

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.mas.gov.sg.

Country Requirements/Restrictions
- Payment Restrictions: The Monetary Authority of Singapore (MAS) is liberalizing the banking sector and encouraging greater non-resident participation in the Singapore dollar capital market. Transactions can be freely remitted and received, and currency can be exchanged without prior approval or provision of additional documentation to the central bank.
  - No central bank reporting required for resident transactions.
- Account Restrictions: Both residents and non-residents are allowed to open SGD and foreign currency accounts in Singapore.
  - Residents can maintain non-SGD accounts outside Singapore without restriction.
  - Non-residents are allowed to hold SGD outside of Singapore.

Payment Formatting Rules for SGD
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and registered or place of business address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address (street address, city and country is required), and as best practice, telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - There are no specific beneficiary account number requirements in this country.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - There are no specific bank clearing codes in this country for cross border payments. SWIFT BIC is key to routing payments to the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxSGxx or xxxxSGxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Slovakia
EUR – Euro

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions
- Currency & Clearing Information: Currently, domestic clearing is a non-SWIFT-based utility that is fully automated with real-time processing capabilities. Inherited from the former Czechoslovakia, the local clearing systems are based on the same principles and use similar methods for processing (the only differences are due to legal requirements for payments in both countries).
- Payment Restrictions: All transactions between residents and non-residents above EUR 12,000 must be reported to the National Bank of Slovakia. Payments made to and from accounts held by residents abroad must also be reported.
- Account Restrictions: Residents and non-residents are permitted to open and maintain domestic or foreign currency accounts either locally or abroad.
- SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Slovakia.

Payment Formatting Rules for EUR
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), and address of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in Slovakia must be included in the payment instruction.

South Africa

ZAR – South African Rand

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.resbank.co.za.

Country Requirements/Restrictions

- Payment Restrictions: All foreign currency transactions between residents and non-residents must be reported to the South African Reserve Bank. Payments made to and from accounts held by residents abroad must also be reported.
- Account Restrictions: Non-residents are permitted to open and maintain domestic or foreign currency accounts locally, with approval from the reserve bank for any foreign currency account.
  - Residents are not permitted to open ZAR accounts abroad.
  - Resident or foreign currency accounts cannot exceed ZAR 2,000,000 equivalent.

Payment Formatting Rules for ZAR

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): SWIFT BIC with branch identifier, full name and address of the beneficiary bank. SWIFT BIC Fis 8 or 11 alphanumeric characters: xxxxZAxxxxx.

- Payment against trade goods and services in ZAR must fall within the definition of "Commercial transactions" (i.e., import, export etc.) under the relevant South African law. If you are not certain, please discuss with the servicing branch counterparty (beneficiary), please discuss with the servicing branch first.
- As to inter-company loans, operating funds to branch or expenses to liaison office, the Beneficiary of the payment must hold an account with JPMC Seoul and its FX designated bank must be JPMC Seoul.
- Foreign direct investment, purchase of securities/shares, purchase or deposits for real estate, etc are supported on a case by case basis for this currency.

- Netting Payment: If there is any payment required after the netting of account receivable and account payable with the payment counterparty (beneficiary), please discuss with the servicing branch first.
- Additional Documentation: For the amount exceeding USD 50,000 equivalent, the beneficiary or the remitter will be required to provide the supporting documents which prove that such payments denominated in ZAR is based on an underlying Business Transaction.
- Copies of invoices, agreements, etc., must be presented to the processing bank prior to the settlement of the transaction. These supporting documents may be shared with regulators.
- BOK Reserve Date: Offshore ZAR payments are processed through KEB clearing who utilize Bank of Korea’s BOK-Wire system for ZAR transactions. BOK-Wire has “Reserve Date” the second Wednesday of each month which means ZAR transactions can’t be settled, the impact of this is that all payments for this value date would be held up and processed with next best value date. Note this does not impact pricing for new ZAR trades booked on the reserve day with future value dates.

KRW - Korean Won

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary. (e.g. SWIFT BIC, Account Number, and beneficiary bank address).
- Central Bank: For additional information, please refer to http://www.bok.or.kr/eng/main/main.do

Country Requirements/Restrictions

- Payment Restrictions: The Foreign Exchange Transaction Act (FETA) regulates foreign exchange operations, payment and receipt of foreign exchange and certain capital movements. The regulations are promulgated and published by the Ministry of Economy and Finance (MOEF).
- KRW is a restricted currency which cannot be held offshore and fund transfers in KRW are allowed only within the country.
- Payment against trade goods and services in KRW must fall within the definition of "Commercial transactions" (i.e., import, export etc.) under the relevant Korean law. If you are not certain, please discuss with the servicing branch, otherwise your payment may be rejected.
- "Non-Commercial Transaction" flow (Capital related) are supported on a case by case basis for this currency.
- As to inter-company loans, operating funds to branch or expenses to liaison office, the Beneficiary of the payment must hold an account with JPMC Seoul and its FX designated bank must be JPMC Seoul.
- Foreign direct investment, purchase of securities/shares, purchase or deposits for real estate, etc are supported on a case by case basis for this currency.
- Netting Payment: If there is any payment required after the netting of account receivable and account payable with the payment counterparty (beneficiary), please discuss with the servicing branch first.
- Additional Documentation: For the amount exceeding USD 50,000 equivalent, the beneficiary or the remitter will be required to provide the supporting documents which prove that such payments denominated in KRW is based on an underlying Business Transaction.
- Copies of invoices, agreements, etc., must be presented to the processing bank prior to the settlement of the transaction. These supporting documents may be shared with regulators.
- BOK Reserve Date: Offshore KRW payments are processed through KEB clearing who utilize Bank of Korea’s BOK-Wire system for KRW transactions. BOK-Wire has “Reserve Date” the second Wednesday of each month which means KRW transactions can’t be settled, the impact of this is that all payments for this value date would be held up and processed with next best value date. Note this does not impact pricing for new KRW trades booked on the reserve day with future value dates.

Payment Formatting Rules for KRW

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), and address. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): SWIFT BIC with branch identifier, full name and address of the beneficiary bank. SWIFT BIC Fis 8 or 11 alphanumeric characters: xxxxKRxx or xxxxKRxxxxx.
- Purpose of the Payment (SWIFT MT103 F72): Purpose of the payment must be clearly identified in the payment instruction. Purpose code must be provided in the format of '/ACC/PURPOSE/' (5 digits), i.e. 10101. Please refer to the payment purpose code list: https://www.jpmorgan.com/directdoc/list-of-payment-purpose-code-kr.pdf. If your purpose of the payment is not in the list, please describe purpose of the payment in free format after '/ACC/PURPOSE/99999. This information is mandatory.
- Beneficiary Information (SWIFT MT103 F70): Telephone number and contact person. Payment Formatting Rules for LKR
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxLKxx or xxxxLKxxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• Payments for less than LKR 500 cannot be processed.
Suriname
SRD – Surinamese Dollar

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.cbvs.sr.

Payment Formatting Rules for SRD
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxSRxx or xxxxSRxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
- In-country beneficiary banks supported for FX payments include: DBS Bank and Royal Bank of Canada.

Swaziland (Eswatini)
SZL – Swazi Lilangeni

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.centralbank.org.sz.

Country Requirements/Restrictions
- Additional Documentation: Residents are required to complete an application to conduct business with an authorized dealer for foreign exchange.

Payment Formatting Rules for SZL
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  - IBAN numbers for beneficiaries with accounts in Sweden must be included in the payment instructions.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxSZxx or xxxxSZxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Sweden
SEK – Swedish Krona

Overview
- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).

Country Requirements/Restrictions
- Currency & Clearing Information: Sweden is a member of the European Union (EU), and is adopting best payment practices within the community, although the country has not adopted the Euro.
- Account Restrictions: Residents and non-residents are permitted to open and maintain domestic or foreign currency accounts either locally or abroad.
- SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in Sweden.

Payment Formatting Rules for SEK
- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxxSZxx or xxxxSZxxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxSExx or xxxSExxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• The beneficiary bank may choose to process incoming SWIFT messages before the value date in Field 32.
• Most payments are rounded to the nearest 5 rappen (cents). Example: CHF 10.88 becomes CHF 10.9.
• Most transactions are electronic and processed the same day.
Tahiti

XPF – Pacific Franc/ Tahitian Franc

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Payment Formatting Rules for XPF

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.

• Account numbers must be formatted according to the below specifications.

Additional Information

• XPF is a zero decimal currency.

Taiwan

TWD – New Taiwan Dollar

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

• Central Bank: For additional information, please refer to www.cbc.gov.tw.

Country Requirements/Restrictions

• Payment Restrictions: Taiwan FX markets are regulated. TWD can only be converted in-country.

  - Non-resident entities must be approved by qualified foreign institutional investors (QFII) to access the onshore market without the special regulatory approval. Non-resident entities are not allowed to hold TWD.

  - USD (or other available foreign currencies) can be converted in-country for local delivery, but FX documentation and bank regulatory reporting is required.

  - For individual residents, restrictions exist for sales and purchase of foreign currency against TWD. Maximum cumulative sales or purchases per year is USD 5,000,000 equivalent in gross unless specifically authorized other direct capital investments where there is no limit.

  - For commercial and individual non-residents, limits are defined in the rules regarding foreign institutional investors or other legislation for foreign exchange against TWD movement in and out. For foreign exchange against TWD movements for non-securities investment purposes, TWD transactions are not allowed.

  - For commercial residents, there are no exchange limits for sales or purchases of foreign currency against TWD relating to trade products (import/export proceeds) or labor. For funds transfers and direct capital investments, the maximum cumulative sale or purchase of foreign currency per year for legal entity is USD 50,000,000 equivalent (except for specifically authorized direct capital investments, where there is no limit).

  - In addition to transaction level thresholds, there is a TWD FX maximum limit of USD 50 million (equivalent) per annum for corporations. Items exempt from this limit are payments with special approval from the government (e.g. capital injection etc).

  - When initiating a transaction from an account held in EMEA and/or Canada, payments to beneficiaries who hold accounts with Chunghwa Post are not supported.

Additional Information

• XPF is a zero decimal currency.
Taiwan
Continued

- For local TWD clearing, there is a specific seven-digit local clearing code required for routing payments to the beneficiary bank and should always be provided. (NNNBBBB, NNN = bank code, BBBBB = branch code)
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxTWxx or xxxxTWxxxx.

Tanzania
TZS – Tanzanian Shilling

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bot-tz.org

Country Requirements/Restrictions

- Additional Documentation: Additional supporting documentation may be required from the beneficiary.

Payment Formatting Rules for TZS

- Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- 12 digit control number is required for specific instructions (12 Digit Control Number is required when transfers are in favor of a government institution, agency, authority, hospital, school and university whose account is with a commercial bank (Mandatory Field 70 – Preceded by /ROC/). This does not apply to government payments to the central bank (Bank of Tanzania – TANZTZTX) and to the Tanzania Revenue Authority (TRA – TARATZTZ). Free formatting of the control code is also permitted and can be expressed as F70: /CONTROL CODE 991234567894. The owner of the account is responsible for obtaining the control number from their bank.)
- Tax Identification Number (TIN) is required when making tax revenue payments to the Tanzania Revenue Authority.
- Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxxTZxx or xxxxTZxxxx.
- Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Thailand
THB - Thai Baht

Overview

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
- Central Bank: For additional information, please refer to www.bot.or.th/english

Country Requirements/Restrictions

- Payment Restrictions: The Bank of Thailand has been entrusted by the Ministry of Finance with the responsibility of administering foreign exchange.
  - All foreign exchange transactions are to be conducted through commercial banks and through authorized non-banks (authorized money changers, money transfer agents, and companies), that are granted foreign exchange licenses by the Minister of Finance. Any transactions not conducted through the above-mentioned licensees require approval from the Competent Officer on a case by case basis.
  - Foreign currencies can be transferred or brought into Thailand without limit.
  - Any person receiving foreign currencies from abroad is required to repackage such funds immediately and sell to an authorized bank or deposit them in a foreign currency account with an authorized bank within 360 days of receipt, except for foreigners temporarily staying in Thailand for not more than three months, foreign embassies, international organizations, and Thai emigrants who are permanent residents abroad or working abroad.
  - Purchase of foreign currency from authorized banks is generally allowed upon submission of documents indicating international trade and investment.
  - Companies in Thailand can engage in derivatives transactions with authorized banks to hedge against foreign exchange risk provided that supporting documents indicating future foreign currency receipts or obligations are submitted.
  - Any person bringing into or taking out of Thailand foreign currency bank notes in an aggregate amount exceeding USD 20,000 or its equivalent must declare to a customs officer.
  - Deposit of foreign currency notes and coins must not exceed USD 10,000 per person per day.

### Thailand

Continued

- Debits to accounts are permitted for payment of external obligations upon submission of supporting evidence.
- Thai residents are permitted to remit up to USD 100 million per year for the purposes of loan or investment to a parent or subsidiary company.
- **Account Restrictions**: Residents, corporations, and individuals are permitted to hold foreign currency bank accounts with no limitation.
  - Foreign currency accounts of Thai residents are opened with authorized Thai banks and deposited with funds originated from abroad. These accounts no longer have requirements for supporting documentation.
  - For non-resident THB accounts, the non-residents may open the account with any authorized Thai bank. Credits may originate from: 1) proceeds from sale of foreign currencies that originate from abroad or foreign currencies from non-resident foreign currency accounts; 2) amounts transferred from other non-resident baht accounts; and 3) obligations of resident to non-resident and non-resident to non-resident.
  - A 30% fund reservation for the purpose of loan/investment is no longer required.
- **Additional Documentation**: Supporting documentation may be requested.
  - Any person purchasing, selling, depositing or withdrawing foreign currency with an authorized bank in an amount of USD 200,000 or above is required to report such transactions to an authorized bank in the form prescribed by the Bank of Thailand.
  - On presentation of supporting documents, all foreign exchange transactions must be processed by a commercial bank.

### Payment Formatting Rules for THB

- **Ordering Customer (SWIFT MT103 F50)**: Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- **Beneficiary Customer (SWIFT MT103 F59)**: Include account number, full name (no initials), address, tax ID (if applicable), and as best practice, telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- There are no specific beneficiary account number requirements in this country.

- **When sending THB through the local payment system, BAHTNET, the sending bank is required to indicate the sender’s tax ID for all payments, regardless of the amount. Example: /ORDERRES/TH/TXID99999999999999.**
- The beneficiary’s tax ID and telephone number may also be provided in SWIFT MT103 F70.
- **Beneficiary Bank (SWIFT MT103 F57)**: Include SWIFT BIC with branch identifier, full name and address of the beneficiary bank.
- There are no specific bank clearing codes in this country for cross-border payments; SWIFTBIC is key to routing payments to the beneficiary bank.
- SWIFT BIC is 8 or 11 alphanumeric characters: xxxTHxx or xxxTHxxxxx.
- **Reason for Payment (SWIFT MT103 F70)**: Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

### Additional Information

- Transfers equal to or greater than THB 5 million require supporting documentation indicating the purpose and exact amount of each payment. Supporting documentation includes a copy of the invoice or payroll request, or a letter on signed letterhead describing reason for transfer.

### Togo

XOF – West African CFA Franc

**Overview**

- Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

**Country Requirements/Restrictions**

- Additional Documentation: Additional supporting documentation may be required from the beneficiary.

**Payment Formatting Rules for XOF**

- **Ordering Customer (SWIFT MT103 F50)**: Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
- **Beneficiary Customer (SWIFT MT103 F59)**: Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
- It is mandatory to format account numbers for beneficiaries with accounts in Togo according to the below specifications.
  - Account numbers should be 24 characters consisting of the 5 character bank code (including the 2 character country code) + 5 character branch code + 12 digit account number + 2 digit Clé RIB number.

<table>
<thead>
<tr>
<th>Country Code</th>
<th>Length</th>

</tr>
</tbody>
</table>

- **Beneficiary Bank (SWIFT MT103 F57)**: Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  - SWIFT BIC is 8 or 11 alphanumeric characters: xxxTGxx or xxxTGxxxxx.
- **Reason for Payment (SWIFT MT103 F70)**: Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

**Additional Information**

- This country is a member of the Central Bank of West African States.
- XOF is a zero decimal currency.
Tonga
TOP – Tongan Pa’anga
Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.reservebank.to.
Country Requirements/Restrictions
• Account Restrictions: Residents may not send or receive money out of Tonga without the consent of the Reserve Bank (Minister of Finance).
Payment Formatting Rules for TOP
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxTOxx or xxxxT0xxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).
  – 12-digit account number required for payments going to accounts held at Scotiabank Trinidad and Tobago Ltd. (NOSCTTPSX00). Format of account number: 5-digit transit code + 7-digit account number (Field 59).
  – List of transit codes for the 12-digit account number is available upon request.
Additional Information
• Smaller banks may not have electronic capabilities, so intermediary banks will settle by issuing a draft that is couriered to the beneficiary.

Trinidad and Tobago
TTD – Trinidad and Tobago Dollar
Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.central-bank.org.tt.
Payment Formatting Rules for TTD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), full address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – There are no specific beneficiary account number requirements in this country.
• Beneficiary Bank (SWIFT MT103 F57): Must include SWIFT BIC with branch identifier, full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxTTxx or xxxxTTxxxx.
  – Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).
• 12-digit account number required for payments going to accounts held at Scotiabank Trinidad and Tobago Ltd. (NOSCTTPSX00). Format of account number: 5-digit transit code + 7-digit account number (Field 59).
  – List of transit codes for the 12-digit account number is available upon request.
Additional Information
• Smaller banks may not have electronic capabilities, so intermediary banks will settle by issuing a draft that is couriered to the beneficiary.

Tunisia
TND – Tunisian Dinar
Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, IBAN, and beneficiary bank address).
Country Requirements/Restrictions
• Account Restrictions: Non-residents and residents can hold in-country accounts in foreign currency or convertible dinars.
Payment Formatting Rules for TND
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
  – IBAN numbers for beneficiaries with accounts in Tunisia must be included in the payment instructions. The IBAN must start with TN59 followed by 20 digits.

Continued

• Reason for Payment (SWIFT MT103 F72): Purpose of payment is required and must be clearly identified (rent, salary, medical expenses, office expenses, etc.) along with information about the ordering customer.
  – Reason for payment must be included to avoid payment delays or return.
  – If the ordering customer is a commercial, business, or corporate entity, additional information required includes trade license number/registration number/unique identification number of the ordering customer.
  – Please refer to the Central Bank of the United Arab Emirates’ payment purpose codes: https://www.centralbank.ae/sites/default/files/2018-09/BOP-PurposeOfPaymentCodesTable-EN-18092017.pdf
  – The above information must be provided in the payment instructions to avoid delays. This information may also be provided in SWIFT MT103 F70.

Additional Information
• The Emirati dirham exchange is pegged to the U.S. dollar.
• The local market is closed on Fridays.
• P2P payments are not permitted.

United Kingdom
GBP – British Pound Sterling

Overview
• Information provided by the Beneficiary; Remitter should obtain all required bank information from the Beneficiary (e.g., SWIFT BIC, IBAN, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.bankofengland.co.uk.

Country Requirements/Restrictions
• Account Restrictions: Residents and non-residents are permitted to open and maintain domestic or foreign currency accounts either locally or abroad.
• SEPA: Strict formatting standards and SEPA guidelines exist in Europe regarding cross-border payments. IBAN and SWIFT BIC are required for all euro payments. SEPA standards apply for euro payments to beneficiaries with accounts in the United Kingdom. SEPA standards do not apply for British pound sterling payments.

Payment Formatting Rules for GBP
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number (IBAN), full name, address and telephone number of the beneficiary customer. Use of initials can delay receipt of funds by the beneficiary.
  – IBAN usage for beneficiaries in the United Kingdom is recommended. IBAN numbers for beneficiaries with U.K. accounts are issued by the account opening bank.

  Account # Ex 12-34-56 78912345
  Country Code GB
  Structure GB2In4a6In8In
  Length 22c
  Electronic Format Ex. GB29ABCD12345678912345
  Print Format Ex. GB29 ABCD 1234 5678 9123 45

• Beneficiary Bank (SWIFT MT103 F57): Include sort code, SWIFT BIC, full name and address of the beneficiary bank.
  – Beneficiary bank branches are identified through a unique 6-digit sort code; this is required to ensure payment delivery. The sort code should always be preceded with “/” followed by the 6-digit bank code. Example: /SC123456.
  – SWIFT BIC, including branch identifier, where required, must be included in the payment instructions. If SWIFT BIC is not available, include the beneficiary bank full name and address in the payment instructions.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxBxx or xxxxBxxxx.

Additional Information
• Most transactions are processed same day.

The following character representations and length indications are used:

United States
USD – United States Dollar

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Country Requirements/Restrictions
• Currency & Clearing Information: The Federal Reserve Bank and the Clearing House Interbank Payment System (CHIPS) facilitates domestic clearing.
  – The U.S. has high- and low-value payment systems.
  – The Federal Reserve bank assigns each member a unique nine-digit ABA number to operate in the national clearing system.
  – The Clearing House assigns each member a unique participant code.

• Account Restrictions: Know your customer (KYC) requirements by financial institutions have become more stringent for opening accounts. Non-residents can hold in-country accounts.

Payment Formatting Rules for USD
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name, and address of the beneficiary customer. Use of initials can delay receipt of funds by the beneficiary.
  – As best practice, beneficiary full name and account number must be included.
• Beneficiary Bank (SWIFT MT103 F57): Include ABA routing number or CHIPS participant code (if available), SWIFT BIC, full name and address of the beneficiary bank.
  – If available, provide the ABA routing number or CHIPS participant code for the beneficiary bank.
  – Include the SWIFT BIC to direct payments to the United States. The receiving bank will then enter the payment into the domestic Federal Reserve (FED) clearing system. SWIFT BIC is 8 or 11 alphanumeric characters: xxxxUSxx or xxxxUSxxxxx.
  – As best practice, include beneficiary bank name and address.

Additional Information
• The Fed or CHIPS reference number is used to confirm the receipt of funds.
• Most domestic urgent transactions are electronic and processed the same day.

Vanuatu
VUV – Vanuatu Vatu

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

Payment Formatting Rules for VUV
• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.
• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), address, and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.
• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.
  – SWIFT BIC is 8 or 11 alphanumeric characters: xxxxVUxx or xxxxVUxxxxx.
• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information
• VUV is a zero decimal currency.

Vietnam
VND – Vietnamese Dong

Overview
• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC or local bank code, account number, and beneficiary bank address).
• Central Bank: For additional information, please refer to www.sbv.gov.vn.

Country Requirements/Restrictions
• Payment Restrictions: FX Control Regulations, issued by the State Bank of Vietnam, are amended from time to time according to monetary control policies of the State.
  – VND is unable to be traded offshore due to its unconvertibility.
  – Purchase of VND is not restricted, as such overseas remittance in foreign currencies can be converted easily for local payments.
  – Sale of foreign currency, for both domestic and overseas payments from Vietnam, is permitted subject to allowable purposes and required supporting documentation is submitted.
  – Domestic payment in foreign currency is restricted: Refer to Circular 32/2013 and Circular 16/2015 for eligible payments.
  – VND against USD rate is calculated based on USD/VND central exchange rate and trading band. The central exchange rate of VND against USD shall be fixed by reference to the weighted average exchange rate in the inter-bank foreign currency market, the exchange rate movements in the international market of currencies of some countries that have trading, borrowing, debt payment, significant investment relationships with Vietnam, macro-economic and monetary balances and goals of monetary policies.
    – USD is accepted for local payments, subject to certain requirements and supporting documents. USD payments into Vietnam for onward credit in VND will be converted by the remitting bank.
  – Payments cannot be made to Foreign Indirect Investment Accounts (FIIAs).
• Additional Documentation: The beneficiary may be required to provide supporting documentation by the correspondent or beneficiary bank.
  – VND in-country settlement requires no specific documentation.
Vietnam

Payment Formatting Rules for VND

• Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials) and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name, address and as best practice, telephone number of the beneficiary customer. Use of initials can delay receipt of funds by the beneficiary.

– Account formats follow the Standard Chart of Accounts regulated by the Central Bank. The simplest format should have the first four-digits in SCA format followed by the currency code and the number assigned by the bank.

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier, full name and address of the beneficiary bank. Exact branch location must be included (e.g. Hanoi and Ho Chi Minh).

– If payment is being sent locally in VND, a local clearing bank code may be used instead of a SWIFT BIC. Local clearing bank codes must be 8 alphanumeric characters, with the 1st and 2nd representing the bank location.

– SWIFT BIC is 8 or 11 alphanumeric characters: xxxxVNxx or xxxxVNxxxxx.

– The beneficiary bank branch location and province must be included in the payment instructions.

• Reason for Payment (SWIFT MT103 F70): Provide a reason for the payment (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• VND is a zero decimal currency; payments must be entered as whole amounts with no decimals to avoid rejection.

• Depending on the beneficiary bank, value date for local clearing payments is within one business day.

Zambia

ZMW- Zambian Kwacha

Overview

• Information provided by the Beneficiary: Remitter should obtain all required bank information from the Beneficiary (e.g. SWIFT BIC, account number, and beneficiary bank address).

• Central Bank: For additional information, please refer to: www.boz.zm.

Country Requirements/Restrictions

• Account Restrictions: Non-residents can hold local currency accounts.

Payment Formatting Rules for ZMW

Ordering Customer (SWIFT MT103 F50): Include account number, full name (no initials), and address of the ordering customer. Use of initials can delay receipt of funds by the beneficiary.

• Beneficiary Customer (SWIFT MT103 F59): Include account number, full name (no initials), full address (recommended), and telephone number of the beneficiary customer. Use of initials may delay receipt of funds by the beneficiary.

– There are no specific beneficiary account number requirements in this country.

• Beneficiary Bank (SWIFT MT103 F57): Include SWIFT BIC with branch identifier (where required), full name, and address of the beneficiary bank.

– There are no specific bank clearing codes for this country for cross-border payments. SWIFT BIC is key to routing payments to the beneficiary bank.

– For payments to Barclays Bank Zambia, a 6-digit branch code must be provided. Sample format: XX YY ZZ (XX represents bank code; YY represents area code; ZZ represents bank branch code).

– SWIFT BIC is 8 or 11 alphanumeric characters: xxxxZMxx or xxxxZMxxxxx.

• Reason for Payment (SWIFT MT103 F70): Purpose of payment must be clearly identified (rent, salary, medical expenses, office expenses, etc.).

Additional Information

• Most banks are also open the first and last Saturdays of the month for domestic services.

• Value dates are generally within 48 hours of the spot deal date.
