JPMORGAN CHASE BANK, N.A.
India

Internet Banking Policy

Version 14.0
May 2020
J.P. Morgan Chase Bank, N.A., a scheduled commercial bank under the Reserve Bank of India Act, 1934 acting through its branches in India (hereinafter referred to as “JPMCB India” offers various internet products to enhance our client access interface to our clients. This is viewed as an extension of existing access mechanisms to allow our clients to send payment instructions and trade related instructions to JPMCB India for processing as well as retrieving their account balance and transaction information.

While providing Internet banking services and products to its customers, the Bank shall adhere to the following policies and procedures:

1. Internet Banking services will only be provided to Customers of the JPMCB India after verifying the identity of customers and completion of KYC formalities in accordance with the KYC & AML Policy & Procedures of the Bank. The Bank may receive a request for opening an account over the internet however; accounts should only be opened after proper verification of the identity of the customer.

2. JPMCB India shall offer Internet banking products only to its Customers.

3. The services includes local currency products and foreign exchange products. JPMCB India may offer its customers internet based platform for foreign exchange services, for permitted underlying transactions, subject to compliance with the following additional terms and conditions:
   (i) The data relating to JPMCB India will be kept segregated.
   (ii) The data will be made available to RBI inspection / audit as and when called for.
   (iii) The services offered through Internet, for banks' customers on an Internet based platform for dealing in foreign exchange, shall allow only reporting and initiation of foreign exchange related transactions, with the actual trade transactions being permitted only after verification of physical documents.
   (iv) Banks will comply with FEMA regulations in respect of instructions involving cross-border transactions.

4. The JPMCB India shall ensure that it maintains secrecy and confidentiality of customers’ accounts. The Bank’s IT Risk Management Policy (available on the JPMCB Intranet) addresses various aspects pertaining to security measures and policies of the Bank as well as secrecy of customer data.

5. The JPMCB India shall clearly notify its customers of the timeframe and the circumstances in which any stop-payment instructions would be accepted by it.

6. The JPMCB India shall enter into such documentation and agreements with the Customer as determined appropriate by Legal and Compliance.

7. JPMCB India will report to RBI every breach or failure of security systems and procedure.
8. JPMCIB India shall comply with various guidelines issued by Reserve Bank of India as amended from time to time (including but not limited to)
   - Internet Banking in India – Guidelines dated 20.Jul.2005
   - Internet Banking – Internet based platforms for dealing in Foreign Exchange dated 22.Aug.2006
   - the recommendations of the ‘Working Group on Internet Banking’ referred to in the RBI circular on Internet Banking in India - Guidelines dated June 14, 2001
   - Internet Banking - Internet Based Platforms for Dealing in Rupee Vostro Accounts dated 15.Nov.2007

9. All instructions of RBI relating to ‘Inter-bank Payment Gateways’ for settlement of e-commerce and other transactions shall be complied with.

10. JPMCIB India shall make mandatory disclosures of risks, responsibilities and liabilities of the customers in doing business through Internet through a disclosure template.

11. Customer Protection for Unauthorized Electronic Banking Transactions
    This policy refers to RBI Circular reference: DBR.No.Leg.BC.78/09.07.005/2017-18 dated July 6, 2017.

JPMCIB India provides Electronic Banking to its Customers. In the event of any unauthorized transaction, Customer will be compensated for any consequent financial loss as per the below guidelines:

- **Limited Liability of a Customer**
  - (a) Zero Liability of a Customer
    - A customer’s entitlement to zero liability shall arise where the unauthorized transaction occurs in the following events:
      - (i) Contributory fraud/ negligence/ deficiency on the part of the Bank (irrespective of whether or not the transaction is reported by the customer).
      - (ii) Third party breach where the deficiency lies neither with the Bank nor with the customer but lies elsewhere in the system, and the customer notifies the Bank within three working days of receiving the communication from the Bank regarding the unauthorized transaction.
  - (b) Limited Liability of a Customer
    - A customer shall be liable for the loss occurring due to unauthorized transactions in the following cases:
      - (i) In cases where the loss is due to negligence by a customer, such as where he has shared the user credentials, the customer will bear the entire loss until he reports the unauthorized transaction to the Bank. Any loss occurring after the reporting of the unauthorized transaction shall be borne by the Bank.
(ii) In cases where the responsibility for the unauthorized electronic banking transaction lies neither with the Bank nor with the customer, but lies elsewhere in the system and when there is a delay (of four to seven working days after receiving the communication from the Bank) on the part of the customer in notifying the bank of such a transaction, the per transaction liability of the customer shall be limited to the transaction value or the amount mentioned in below Table, whichever is lower.

<table>
<thead>
<tr>
<th>Time taken to report the fraudulent transaction from the date of receiving the communication from the Bank</th>
<th>Customer’s liability (Rs)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Within 3 working days</td>
<td>Zero liability</td>
</tr>
<tr>
<td>Within 4 to 7 working days (Current Accounts/ Cash Credit/ Overdraft Accounts/ Trade Transactions with annual average balance / limit up to Rs.25 lakh)</td>
<td>The transaction value or 10,000, whichever is lower</td>
</tr>
<tr>
<td>Within 4 to 7 working days (All Other current/ Cash credit/ Overdraft Accounts/ Trade Transactions)</td>
<td>The transaction value or 25,000, whichever is lower</td>
</tr>
<tr>
<td>Beyond 7 working days</td>
<td>Liability shall be determined and approved on a case by case basis by head of the concerned Line of Business</td>
</tr>
</tbody>
</table>

Note: The number of working days shall be counted as per the working schedule of the home branch of the customer excluding the date of receiving the communication.

On being notified by the customer, the bank shall credit (shadow reversal) the amount involved in the unauthorized electronic transaction to the customer’s account within 10 working days from the date of such notification by the customer (without waiting for settlement of insurance claim, if any). Also the Customer service committee shall periodically review the unauthorized electronic transactions reported by customer. The credit shall be value dated to be as of the value date of the unauthorized transaction.

The bank shall report the customer liability cases to Management committee. These cases will be made available to audit for review.

Further, Bank shall ensure that:

(i) a complaint is resolved and liability of the customer, if any, established within such time, as may be specified in the bank’s Board approved policy, but not exceeding 90 days from the date of receipt of the complaint, and the customer is compensated as per provisions of table above;
(ii) where it is unable to resolve the complaint or determine the customer liability, if any, within 90 days, the compensation as prescribed in table above is paid to the customer; and
(iii) the customer does not suffer loss of interest or does not bear any additional burden of interest.

Bank shall also periodically update the customer on
i. the risks and responsibilities involved in cases of electronic banking transactions and the customer liability in cases of unauthorized electronic banking transactions focusing on the below
ii. the systems and procedures to ensure safety and security of electronic banking transactions carried out by customers.
iii. appropriate measures to mitigate the risks and protect themselves against the liabilities arising therefrom

Resolution of Grievances

The customers can highlight their complaints / issues vide the procedure outlined in this policy. For redressal of issues customers can email their complaint to: customerservice.india@jpmorgan.com.

Customers will receive a response within ten business days and we shall do our best to resolve the complaint to the customer’s satisfaction within this period. Complex complaints which would require time for examination of issues involved, may take a longer time to resolve. However, in such cases, customers will be informed about the status of their complaint within this period. Our focus would remain on the quality and completeness of the response, with speed of delivery being an important but not overriding factor.

In case of unsatisfactory response from the above channel customers can escalate the complaint to the Principal Nodal Officer of the Bank:

Mr. Ganeshkumar C. Shetty
J.P.Morgan Tower
Off C.S.T Road
Kalina
Santacruz East
Mumbai – 400 098
(This address is for correspondence only)
Telephone: 91-22-61573698
E-mail: ganeshkumar.c.shetty@jpmorgan.com

Customers will receive a response within 10 business days and they will have to quote the reference number pertaining to their earlier contact with JPMCB India on the same issue.
Banking Ombudsman Scheme

If customers do not receive a response from us within one month after we have received the complaint, or if they are not satisfied with the reply given by us, they may approach the Banking Ombudsman. The details of the Banking Ombudsman Scheme as well as the contact details of the Ombudsman for respective City or State are available on www.bankingombudsman.rbi.org.in. This link is displayed on our website as well. A copy of this Scheme is available on request.

For the convenience of the customers, following have been displayed on our website:

- Appropriate arrangement for receiving complaints and suggestions.
- The name, address and contact number of the Principal Nodal Officer
- Contact details of Banking Ombudsman of the area
- Code of bank’s commitments to customers/Fair Practice code

The nodal officer of the JPMCBI India is kept informed on the complaints which are not redressed within one month. The details of the Banking Ombudsman where the complainant can approach are included in the final closure letters/emails for such cases.

12. Hyperlinks from the Bank’s website shall be confined to only those portals with which JPMCBI India has a payment arrangement or sites of their subsidiaries or principals. Hyperlinks to the JPMCBI India’s website from other portals will be normally meant for passing on information relating to purchases made by JPMCBI India’s customers in the portal. JPMCBI India shall follow the minimum recommended security precautions while dealing with request received from other websites, relating to customers’ purchases.

13. The technology and security standards prescribed by RBI and recommended by the ‘Working Group on Internet Banking’ including the security policy will be meticulously followed by the JPMCBI India.

14. Prior to offering of any banking services over the internet, JPMCBI India shall put up a note to its Management Committee stating details such as the business plan, analysis of cost and benefit, operational arrangements like technology adopted, business partners as relevant, third party service providers, systems and control procedures we propose to adopt for managing risks, and any other pertinent information.

15. JPMCBI India (i.e. the unit offering the service over the internet) shall obtain an approval from its ITRM (Information Technology Risk Management) Department and ORM (Operational Risk Management) Department prior to offering of any new or further banking services over the internet.
16. This policy is subject to review annually. The gap between two reviews should not be more than 12 months. It may also be reviewed as and when felt necessary by the Management Committee.

17. This policy is intended to address requirements under Indian regulations only and should be read in conjunction with applicable Firm wide policies.
