EMPLOYEE PERSPECTIVES

"I like the project-based nature of underwriting - working on one deal, closing it out, then on to the next. This keeps my learning curve steep."
- Kennedy, Commercial Banking

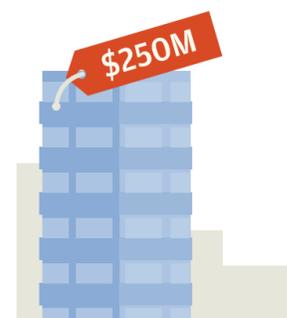

"I worked on a report to understand the risk-reward tradeoff of financing large-scale projects, like a luxury apartment building or large, collaborative office space."
- Smita, Commercial Real Estate Banking

"When selecting a summer internship, and ultimately an analyst role, I wanted a program that would provide an introduction to the many different products J.P. Morgan offers."
- Sheena, Corporate Client Banking & Specialized Industries

CLIENT SPOTLIGHT

Financing Transformative Projects

We provided a **\$250 million** construction loan for Dock 72, a 16-story building at the Brooklyn Navy Yard designed as a hub for collaboration.

Helping Stars Shine in La La Land

JPMorgan Chase has played a leading role in Hollywood's most important transactions since 1927, from DreamWorks Animation's IPO to financing five of the films nominated for **Best Picture at the 2016 Academy Awards.**

Revitalizing Communities

When Harlem RBI, a non-profit serving inner city youth, set out to build affordable rental housing and office space, JPMorgan Chase provided **\$27 million** of financing for the project, which includes 89 units of affordable rental housing and 5,800 sf. of office space.
