

## EMPLOYEE PERSPECTIVES

"The best part about being a trader is that we take on risk that is directly impacted by the news and other sentiments."

- Frederick, Sales, Trading and Research

"Investment banking allows you to take on more responsibility, to be more entrepreneurial and involved than you otherwise might have been in other similar entry-level roles."

- Shevon, Investment Banking

"Within the Corporate and Investment Bank, Investor Services Sales offers exposure to many different roles in Finance. You can choose to focus on Sales, Product, Client Service, Pricing or Strategy while gaining exposure to many different asset classes."

- Amy, Investor Services Sales
