

FX Retail

It's an electronic trading platform for buying or selling foreign exchange. The FX-Retail Platform is owned and operated by Clearcorp Dealing Systems (India) Limited.

Why choose FX-Retail platform?

- The Platform provides for an anonymous trading for customers in the USD/INR currency pair
- You can directly deal on the platform and have access to current rates, thus moving from phone based to electronic booking of FX rates
- Buyers and sellers are matched based on the price quoted thereby facilitating fair and transparent pricing
- JP Morgan India will be the processing/settlement bank, wherein even if you are buying or selling currency to a third party, we will help in processing the transaction

How to register for FX Retail?

- Visit <https://www.fxretail.co.in/#/login>
- Complete the registration form
- Provide the name of your Relationship Bank at the time of registration
- Once registered, your details would be forwarded to the Relationship Bank that you provide at the time of registration, for verification and approval
- Once approved, you would receive your login credentials (ID and Password)
- One time registration charge of INR300 for Individual customer and INR1000 for Non Individual customers (plus applicable taxes)

Please contact your Relationship Manager / FX Sales Person for further details on terms and conditions before registration.
